Hi, everyone!

Aren't Christmas decorations just fab? Some of them are good enough to wear - as Goofy's doing on our cover! We haven't got our tree yet, so he volunteered to be the stand in. He didn't stand in for long though, only till his arms got tired! Excuse me while I rescue Morty and Ferdie from their tinsel tangle - see you in next week's Christmas special!

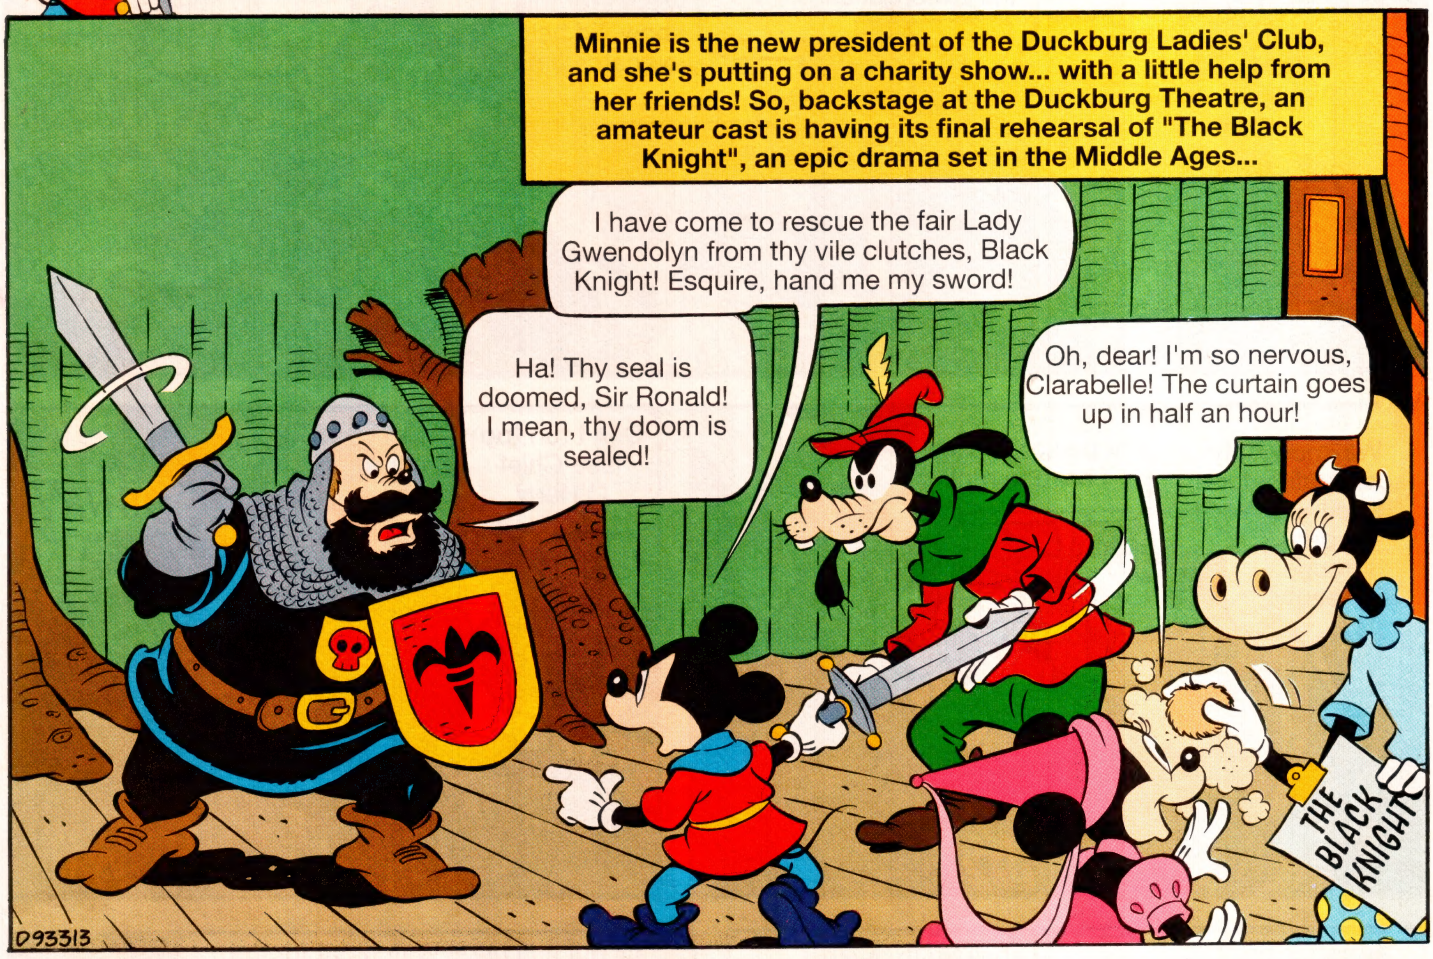
MICKEY MOUSE

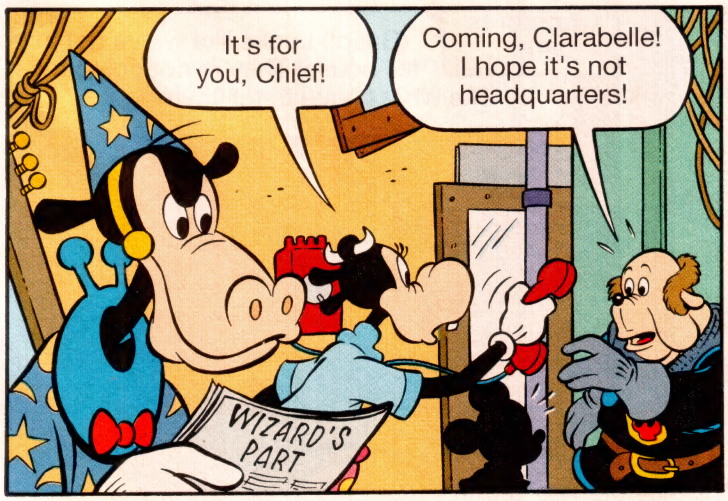
Drama In One Act

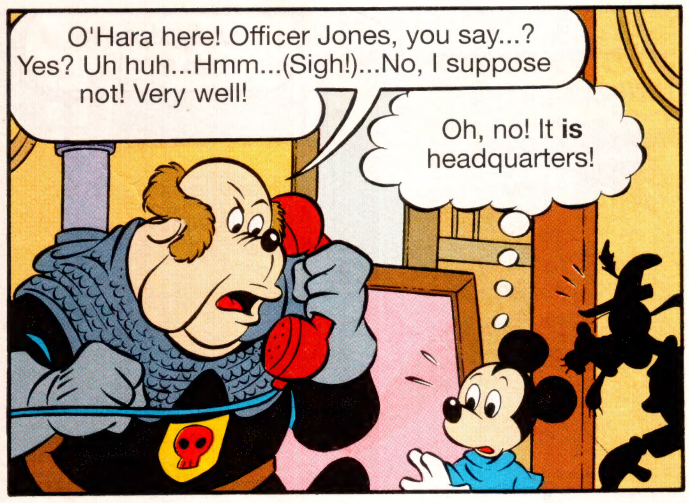


Minnie is the new president of the Duckburg Ladies' Club, and she's putting on a charity show... with a little help from her friends! So, backstage at the Duckburg Theatre, an amateur cast is having its final rehearsal of "The Black Knight", an epic drama set in the Middle Ages...
I have come to rescue the fair Lady Gwendolyn from thy vile clutches, Black Knight! Esquire, hand me my sword!
Ha! Thy seal is doomed, Sir Ronald! I mean, thy doom is sealed!
Oh, dear! I'm so nervous, Clarabelle! The curtain goes up in half an hour!
THE BLACK KNIGHT
D93313

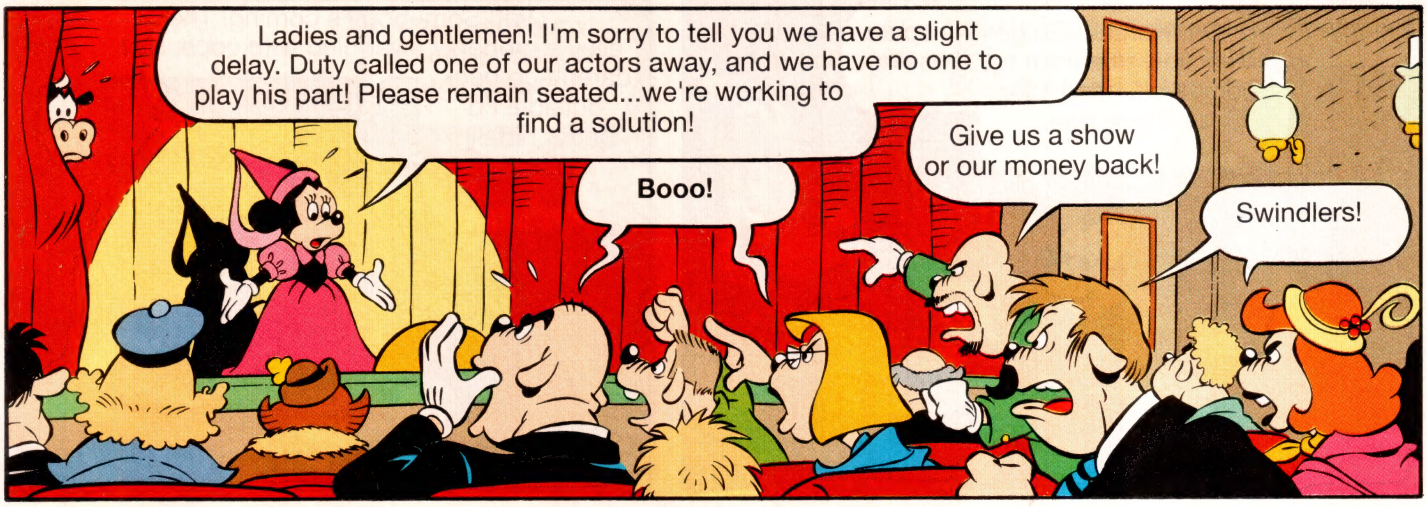
Just one word, master, and I shall turn Sir Ronald into a **toad**! Bwah-ha-ha!
(Sigh!) Horace is a real **ham**! I haven't the heart to tell him!

Soon...
You've got a hard act to follow, Chief O'Hara! **Boris Goodenoff** played your part last year when the Goosetown Community Theatre did this play!
I guess we're about as good as we're ever going to get, folks!
R-RING!
BORIS GOODENOFF IN
THE BLACK KNIGHT

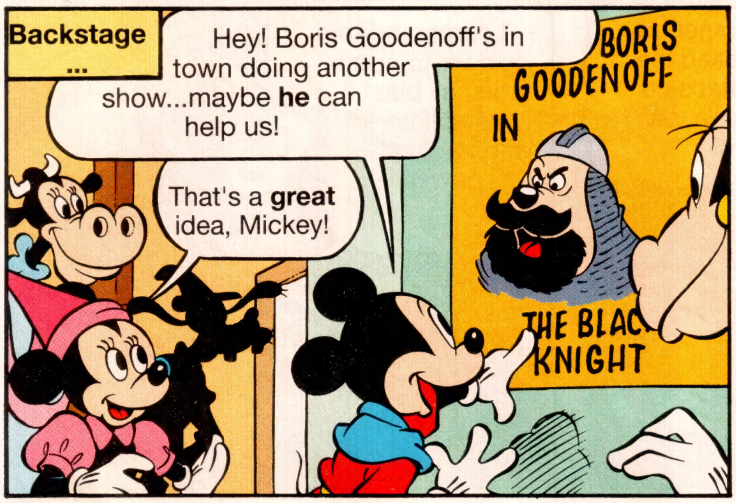




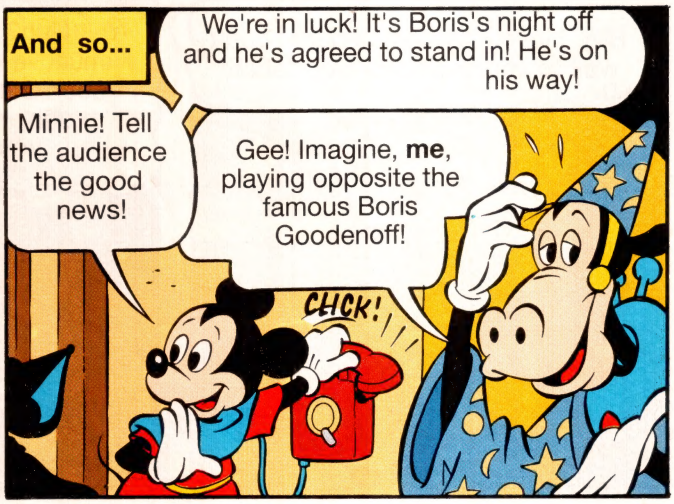
Sorry, friends, but I can't go on tonight! Big Bad Pete's just robbed a bank and I have to take charge of the investigation!
The nerve of that crook! If it wasn't for this show, I'd help you catch him!
Oh, no! How can we do the play without you, Chief? Your understudy rang in sick an hour ago!
We know duty comes first for a policeman. We'll muddle through somehow!
I hope so, Mickey! I have to run!
Don't run **too** fast, Chief O'Hara!
BONK!
Maybe we'd better move that tree so no one else gets hurt!
I shall try to make it **disappear**, Sir Ronald!
Ohhh...!
I'll put it in here! Watch out for the branches when you go out, Chief O'Hara!
DUCKBURG THEATRE
Okay, Jones, let's roll!
I'm really looking forward to this show!
Moments later...
(Gasp!) Looks like we've got a full house! They're not going to like what I have to tell them!



Ladies and gentlemen! I'm sorry to tell you we have a slight delay. Duty called one of our actors away, and we have no one to play his part! Please remain seated...we're working to find a solution!
Booo!
Give us a show or our money back!
Swindlers!

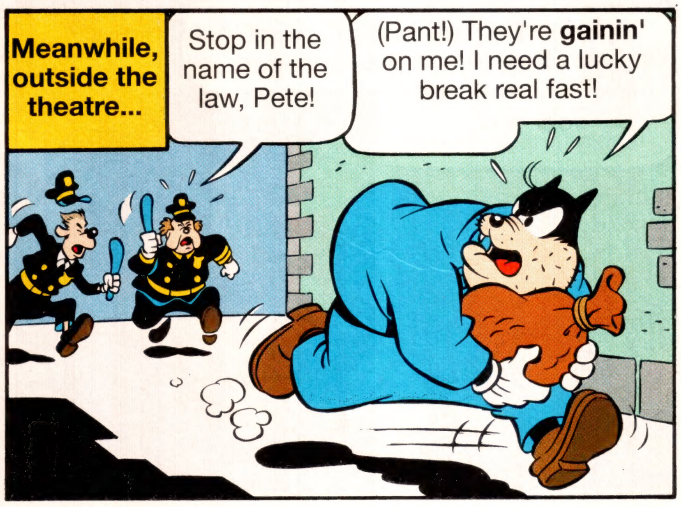


Backstage ...
Hey! Boris Goodenoff's in town doing another show...maybe **he** can help us!
That's a **great** idea, Mickey!
BORIS GOODENOFF IN
THE BLAC KNIGHT



And so...
We're in luck! It's Boris's night off and he's agreed to stand in! He's on his way!
Minnie! Tell the audience the good news!
Gee! Imagine, **me**, playing opposite the famous Boris Goodenoff!
CHCK!

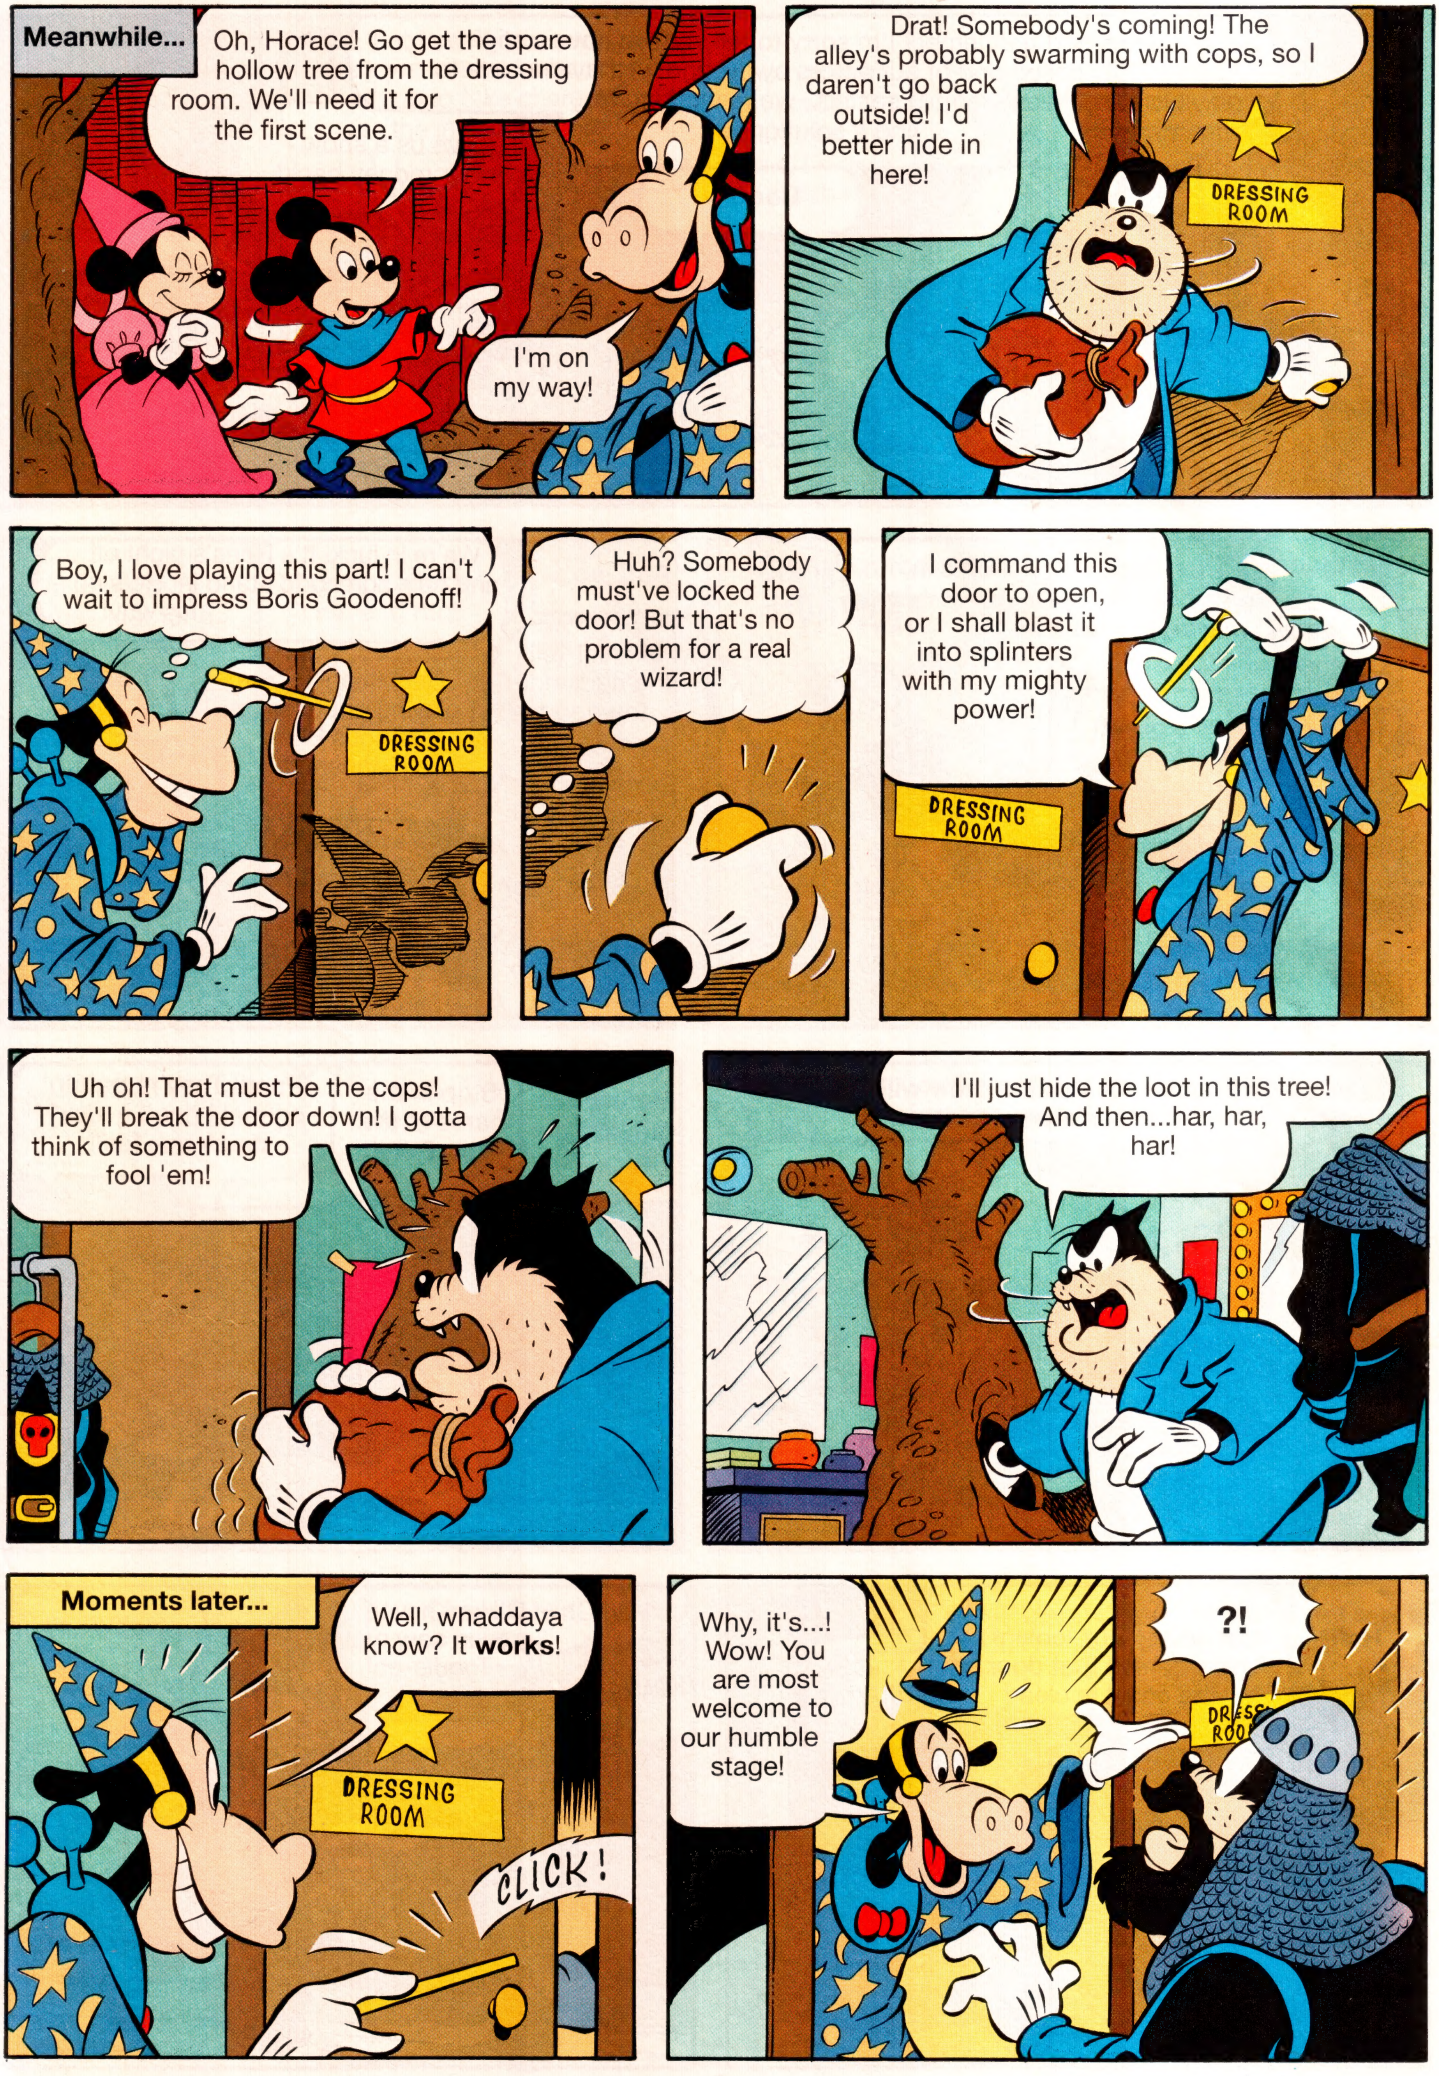
I'm happy to announce that the show **will** go on! Boris Goodenoff has agreed to stand in for Chief O'Hara!
The show will begin as soon as Mr. Goodenoff arrives!
CLAP! CLAP!



Meanwhile, outside the theatre...
Stop in the name of the law, Pete!
(Pant!) They're **gainin'** on me! I need a lucky break real fast!

Halt!
Just what I wuz lookin' for! I'll hide behind that door until the coast is clear!
STAGE ENTRANCE

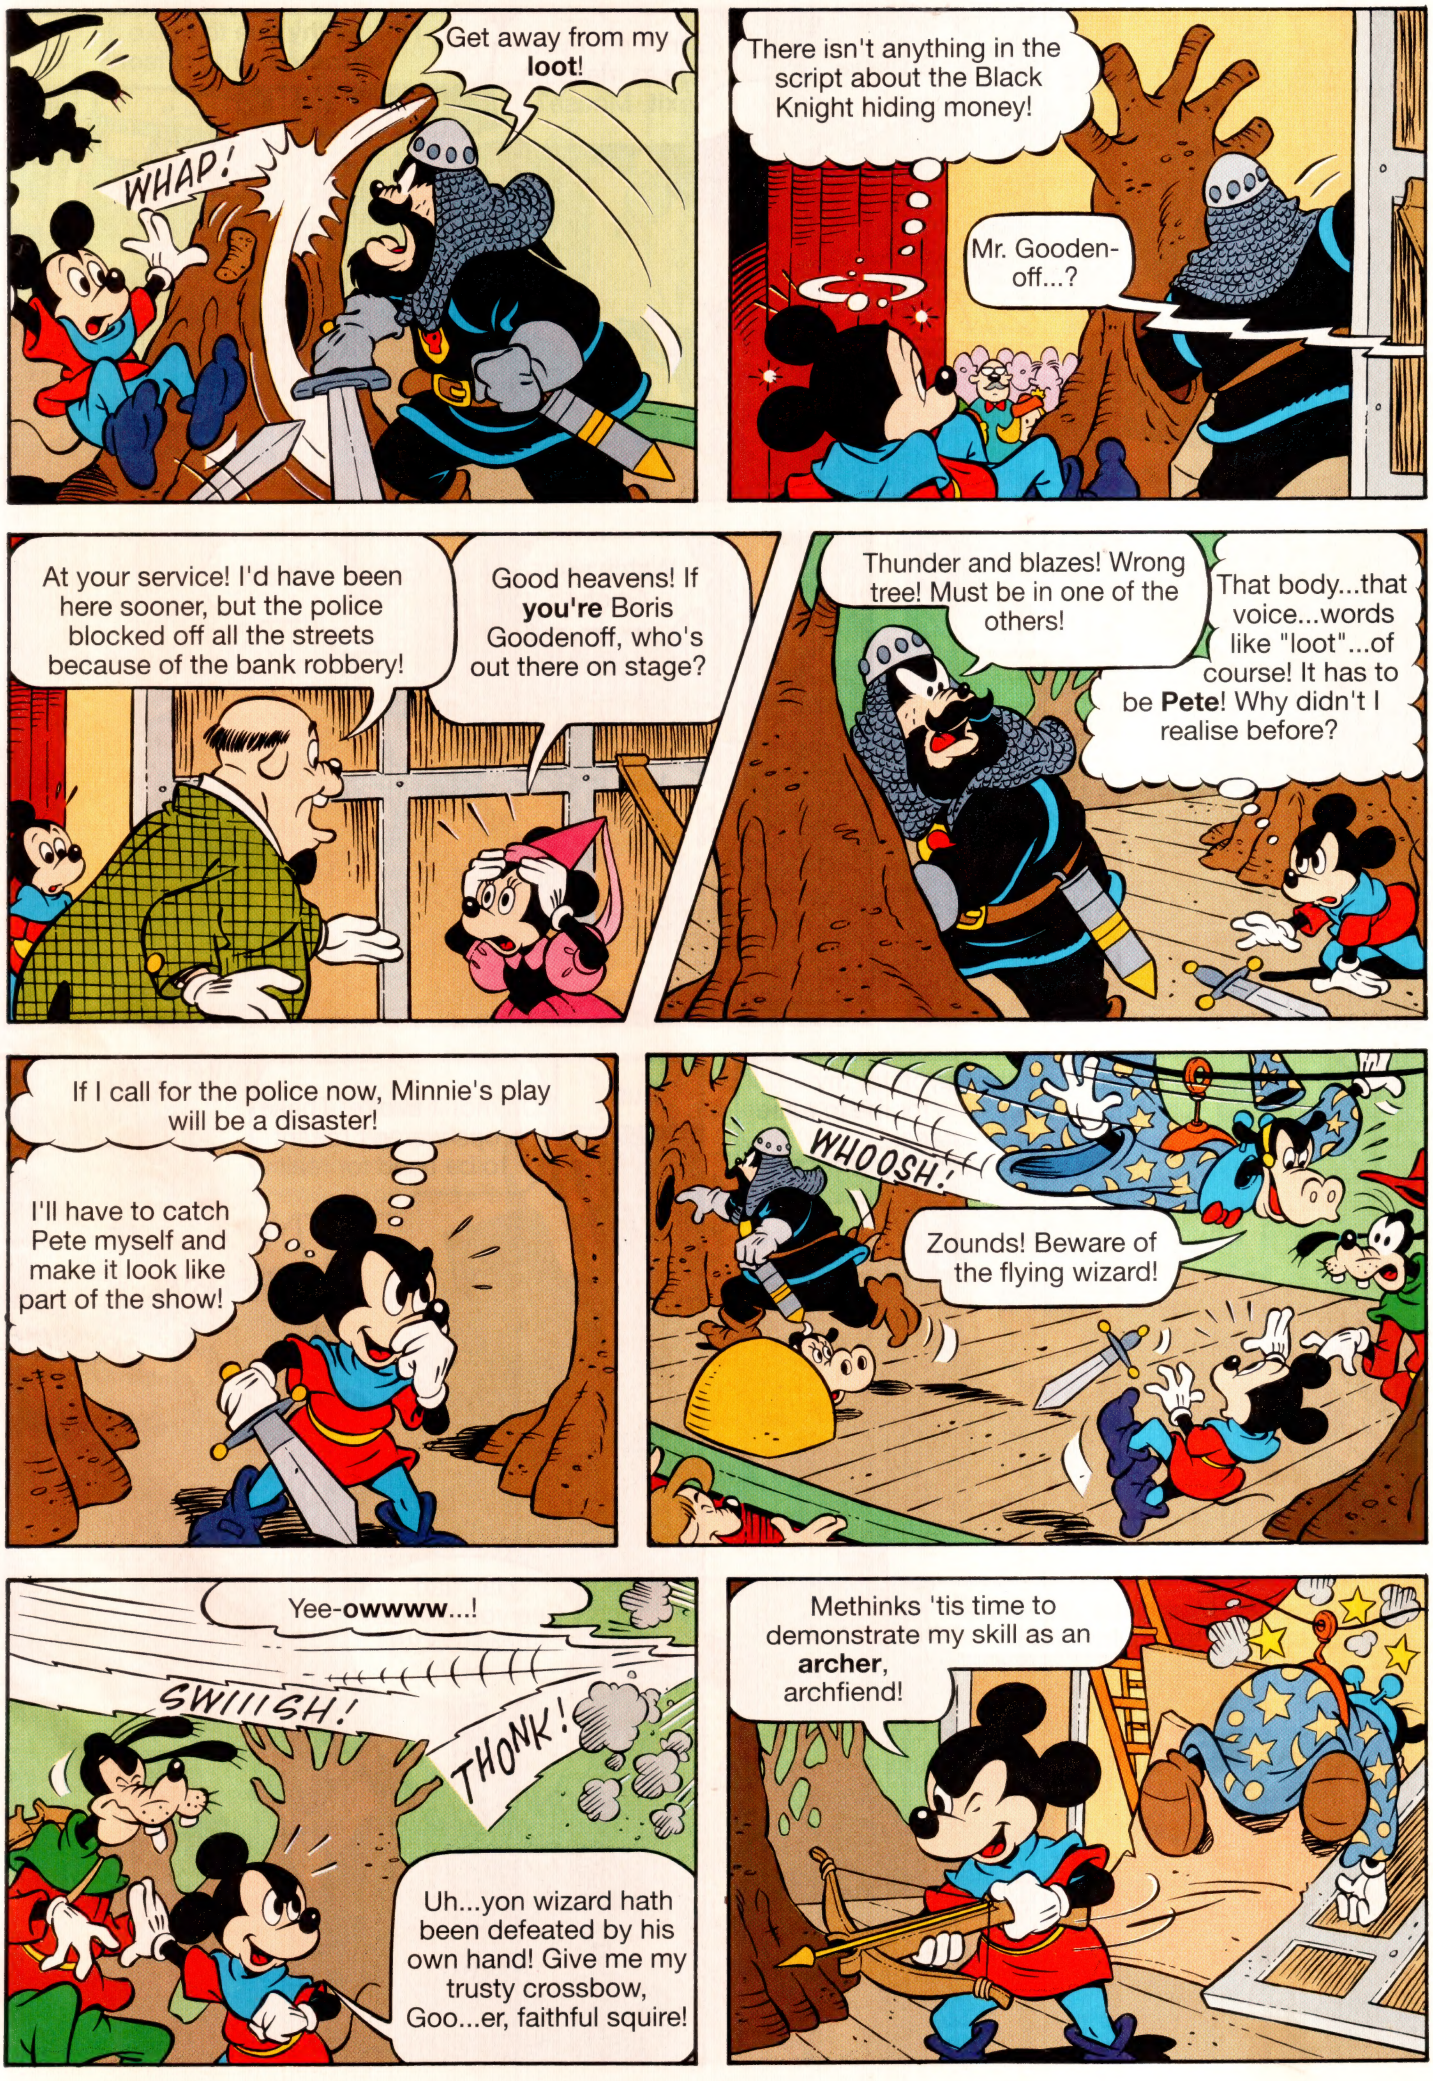
Har! Chief O'Hara never even **saw** me! Toodle-oo!
STAGE ENTRANCE
Huff! Puff!



Meanwhile...
Oh, Horace! Go get the spare hollow tree from the dressing room. We'll need it for the first scene.
I'm on my way!
Drat! Somebody's coming! The alley's probably swarming with cops, so I daren't go back outside! I'd better hide in here!
DRESSING ROOM
Boy, I love playing this part! I can't wait to impress Boris Goodenoff!
DRESSING ROOM
Huh? Somebody must've locked the door! But that's no problem for a real wizard!
I command this door to open, or I shall blast it into splinters with my mighty power!
DRESSING ROOM
Uh oh! That must be the cops! They'll break the door down! I gotta think of something to fool 'em!
I'll just hide the loot in this tree! And then...har, har, har!
Moments later...
Well, whaddaya know? It **works**!
DRESSING ROOM
CLICK!
Why, it's...! Wow! You are most welcome to our humble stage!
?!

This idiot ain't no cop! I'll just knock him down and I'm outta here!
HEY, EVERYBODY! BORIS GOODENOFF HAS ARRIVED!
Mr. Goodenoff! That was quick! Welcome!
Wha'...? Mickey Mouse! How'd he find me this time?
Hang on...why's everybody calling me "Goodenoff"?
BORIS GOODENOFF IN THE BLACK KNIGHT
Oh, that's it! They think I'm some actor!
Holy moley! My mon...er, never mind!
Gosh! I was so excited about meeting you I almost forgot what I was supposed to do! Let the show begin!
Rats! I can't make a getaway until I can snag the loot! I'll have to play along!
The show goes on...
Oh, noble Sir Ronald! This forest is ever so sinister and gloomy!
Let not thy courage desert you, faithful squire! For we are even now nigh unto the dark castle wherein the fair lady Gwendolyn is held prisoner by that most dastardly Black Knight!
Alas, Sir Ronald! I am so afrighted by the prospect of meeting the wicked knight and his evil wizard that I am shaking in my buskins!
That's our cue, Mr. Goodenoff. Let's go!
Oh, woe and misery! Yonder they stand!
Er...uh...huh?
?
It's your line now, sir!

Uh..."To be or not to be!"
Oh, no! Great line, wrong play! Don't tell me he's forgotten his lines after playing this part all last year?
Psst! Your line is, "Whom do I see trespassing upon my land?"
Oh, okay...!
Er...Hey, listen, you loons are embarrassing my aunt!
(Sigh!) I guess I'll have to come up with something to save the situation!
Yield, thou scurvy varlet, or taste the steel of my righteous sword!
!?
Now you're **talkin'**, dummy! I'm tired of you gettin' in my way!
Hey! That **definitely** isn't in the script!
Taste **this**, mouse!
Yipe! These professional actors know how to make their sword-fighting look **realistic**!
CLANG!
CLANG!
They're rewriting the play, but the audience is lapping it up! I'll make it even more spectacular!
Horace! You're not supposed to leave the stage yet!
Yow! This guy isn't acting!
CLANG!



Get away from my **loot**!
WHAP!
There isn't anything in the script about the Black Knight hiding money!
Mr. Gooden-off...?
At your service! I'd have been here sooner, but the police blocked off all the streets because of the bank robbery!
Good heavens! If **you're** Boris Goodenoff, who's out there on stage?
Thunder and blazes! Wrong tree! Must be in one of the others!
That body...that voice...words like "loot"...of course! It has to be **Pete**! Why didn't I realise before?
If I call for the police now, Minnie's play will be a disaster!
I'll have to catch Pete myself and make it look like part of the show!
WHOOSH!
Zounds! Beware of the flying wizard!
Yee-**owwww**...!
SWIIISH!
THONK!
Uh...yon wizard hath been defeated by his own hand! Give me my trusty crossbow, Goo...er, faithful squire!
Methinks 'tis time to demonstrate my skill as an **archer**, archfiend!

Eep!
Bullseye!
ZIIING!
Grrr! Ain't it your cue to make an **exit**, Mouse?
No, 'tis **thy** cue to make an **entrance**...into **prison**!
SCENERY
CASTLE
UP
DOWN
CLICK!
Watch out, Goofy!
Yikes!
WHAM!
And here's the payoff for my performance! It's time for me to retire from the stage!
Ho, varlet!
$100,000
Thou hast not triumphed yet, knave! Let fall thy ill-gotten gains and lift thy hands!
But...
Oh, no! It **broke**! These props weren't meant to be used for real!
CRACK!
Har, har! See you on Easy Street, buddy-boy!

SLICE!
I wouldn't be so sure!
?!
OOF!
SWOOSH!
SLAM!
I've been kind of **unconscious** for a couple of minutes. What's going on?
Well, I'd say Sir Ronald's givin' that Black Knight fella about what he **deserves**, hyuk!
Nnnff!
THUD!
Then...
Mickey! Clarabelle just called and said Pete was making trouble for you in the theatre!
Don't worry, Chief! I'd say he's **under control** now!
If you feel **flattened** now, Pete, just wait till you see the reviews in tomorrow's papers!
Hey, how 'bout that, Minnie? The audience loved our show!
So I see! But I never even got to make my entrance!
Encore!
CLAP!
CLAP!
Ooohh...!
Humph! Pete may have stolen the bank's money, but **you** stole the show!
I'm **glad** I didn't get here in time! When **I** played the part, I didn't have to do all those dangerous stunts!
Bravo! Encore!

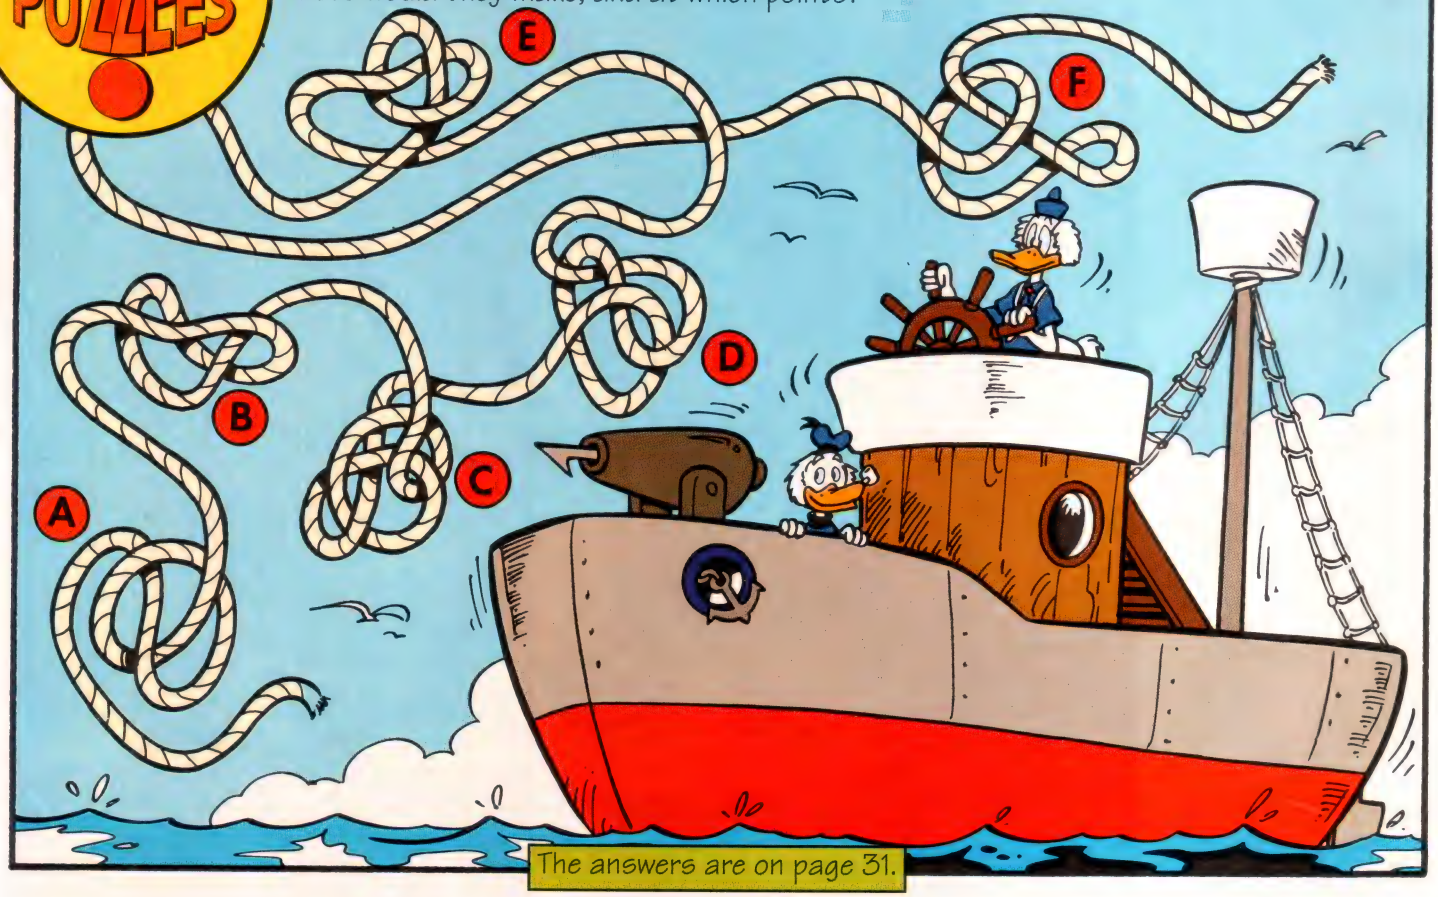
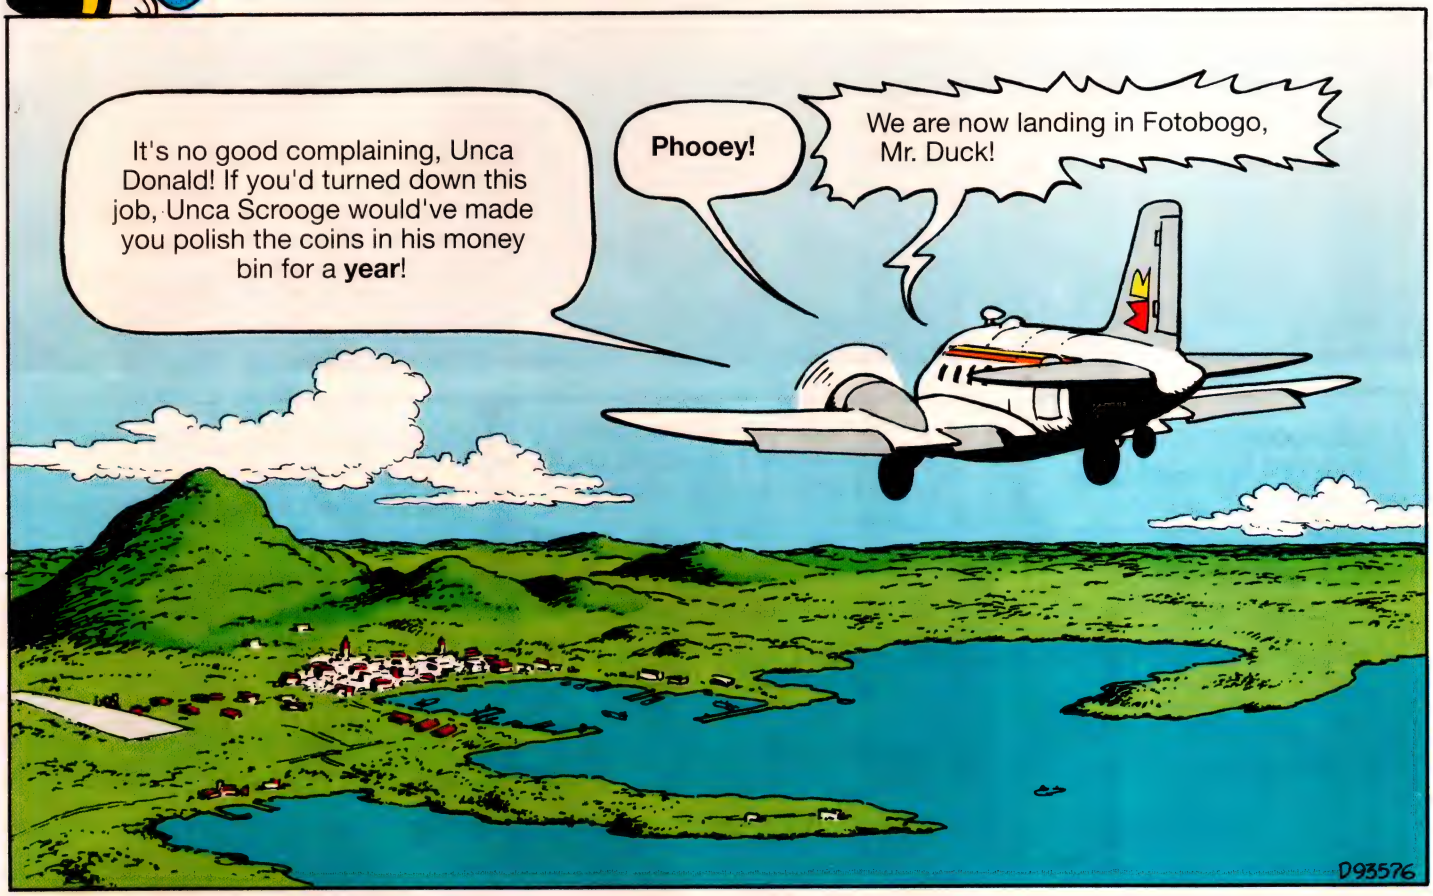
If the sailors on board this ship were to take each end of the rope and pull, how many knots would they make, and at which points?

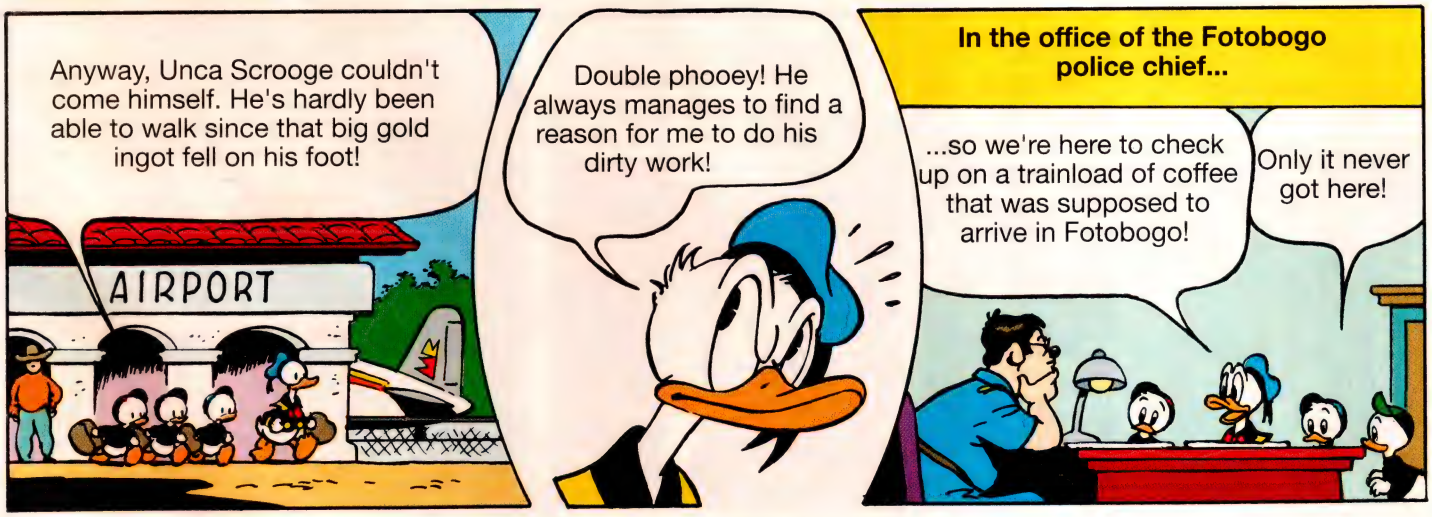


The answers are on page 31.

Fotobogo

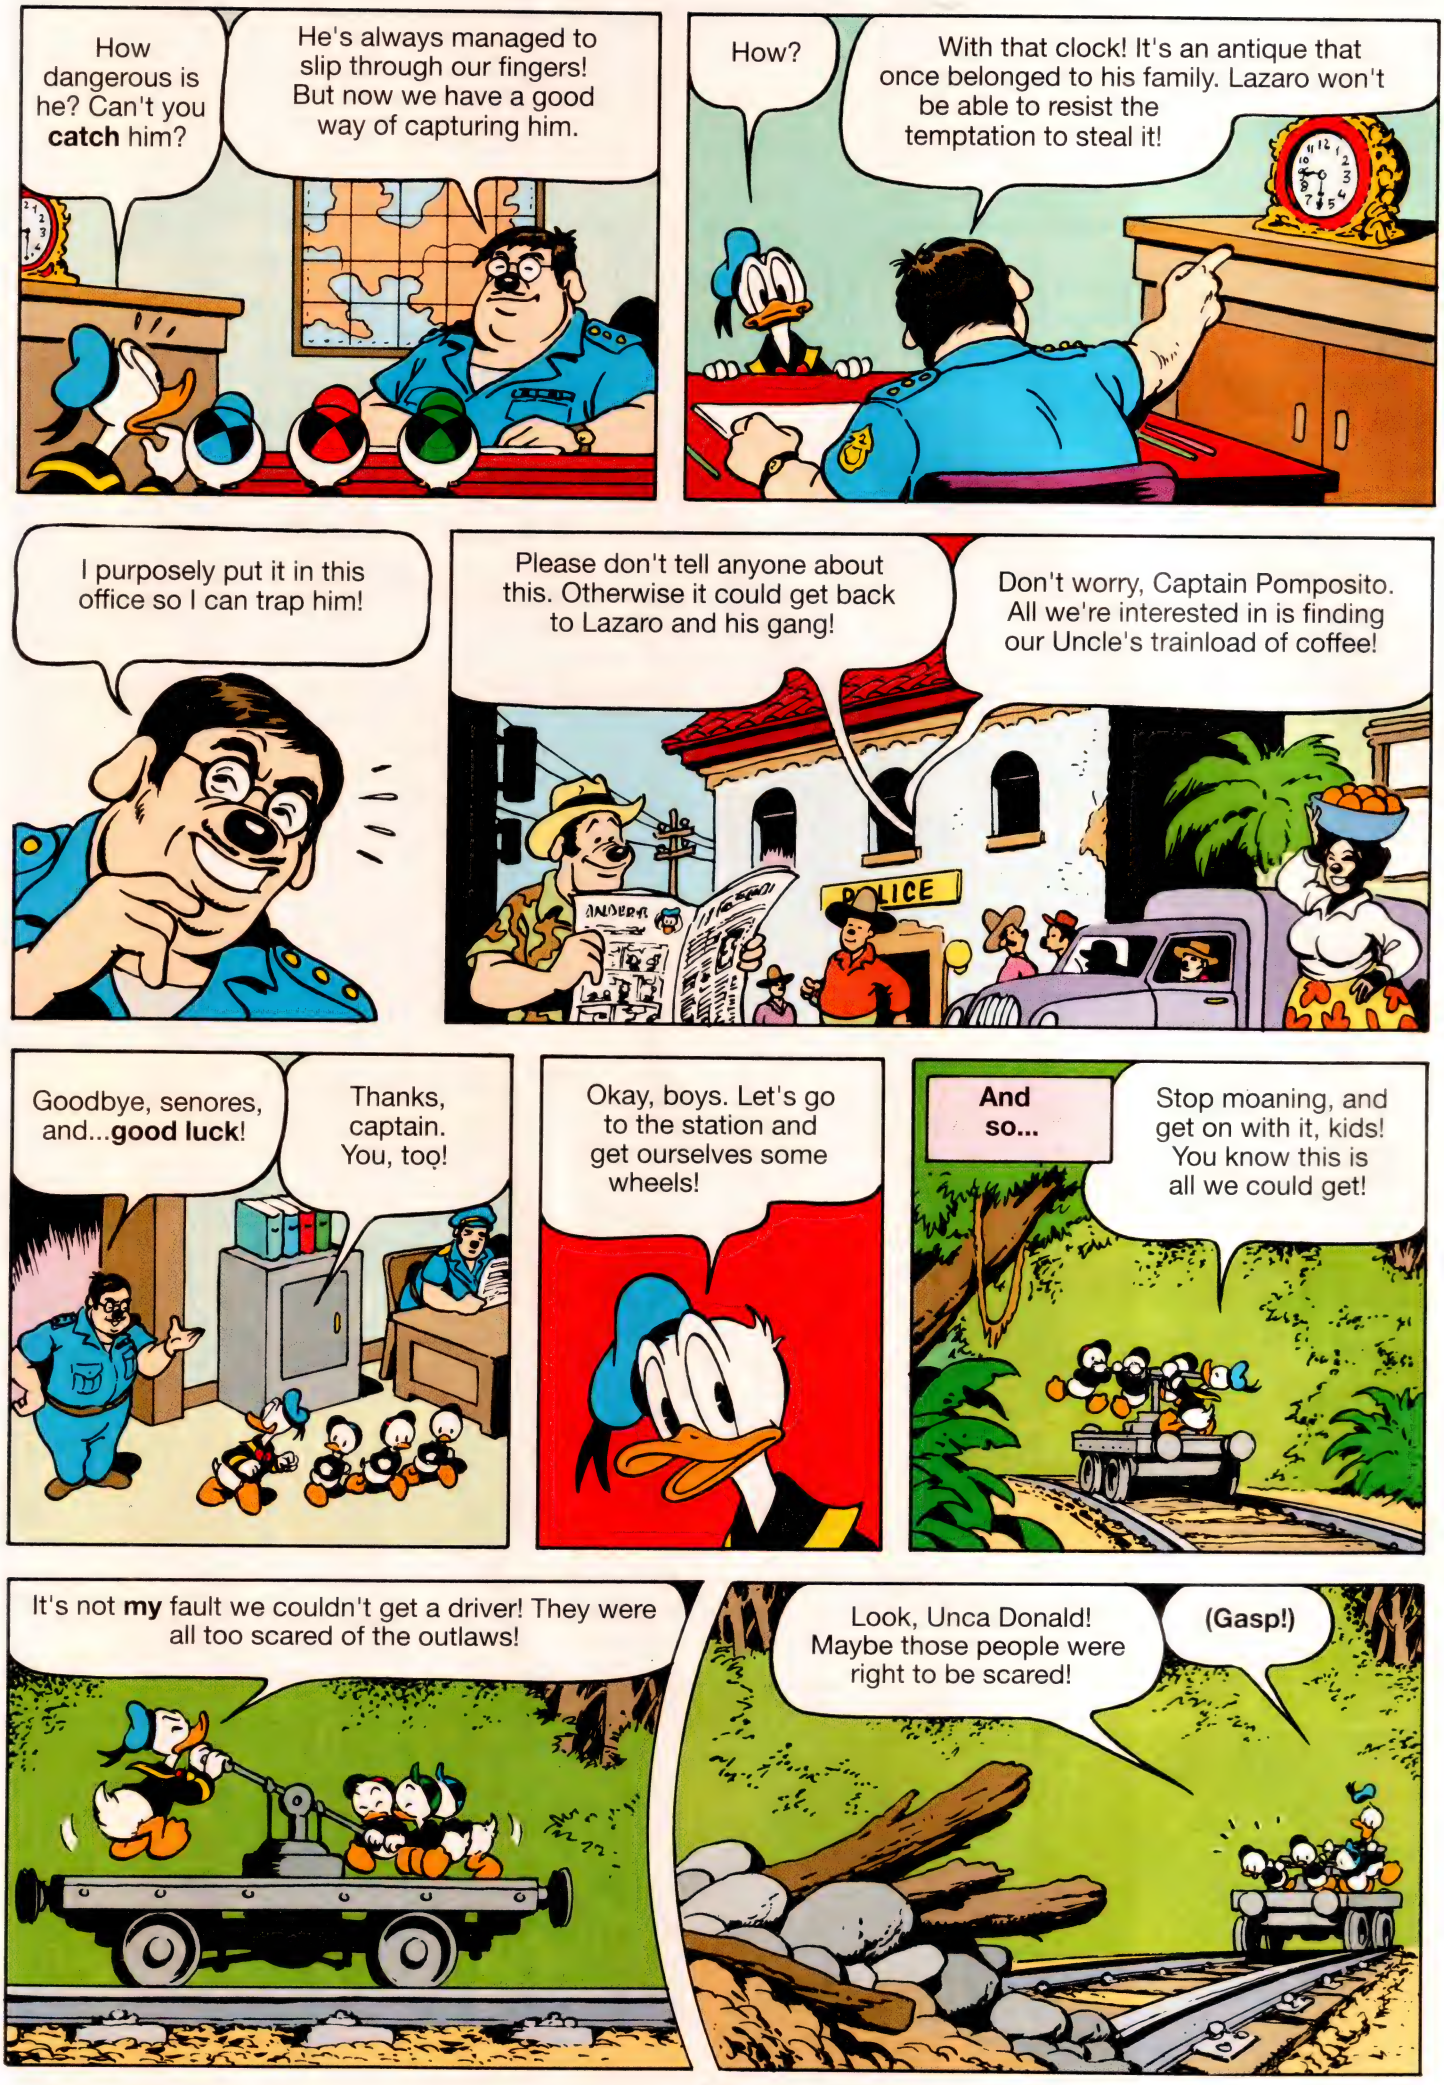


It's no good complaining, Unca Donald! If you'd turned down this job, Unca Scrooge would've made you polish the coins in his money bin for a **year**!
Phooey!
We are now landing in Fotobogo, Mr. Duck!
D93576

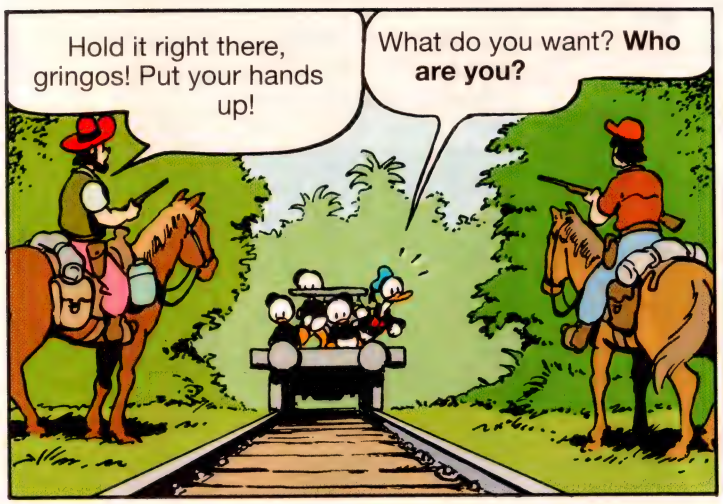


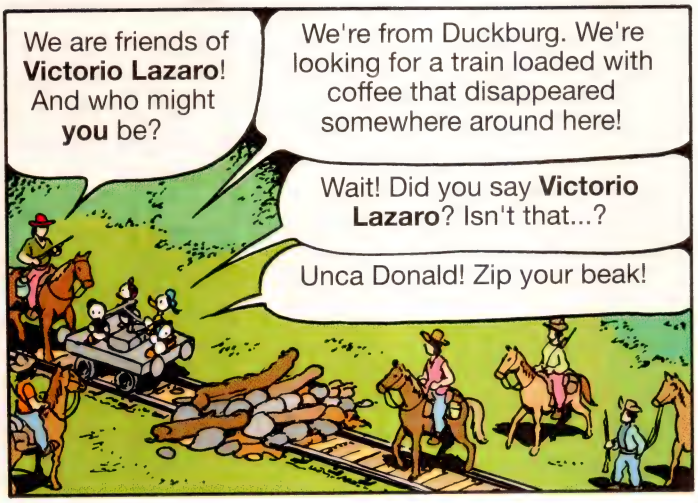
Anyway, Unca Scrooge couldn't come himself. He's hardly been able to walk since that big gold ingot fell on his foot!
AIRPORT
Double phooey! He always manages to find a reason for me to do his dirty work!
In the office of the Fotobogo police chief...
...so we're here to check up on a trainload of coffee that was supposed to arrive in Fotobogo!
Only it never got here!

The heavy rains here frequently wash the soil away! Perhaps the train ended up in a landslide!
Or perhaps there is another reason! **Victorio Lazaro!**
Who's that?
A **bandit**! His gang of outlaws terrorise the countryside around Fotobogo!

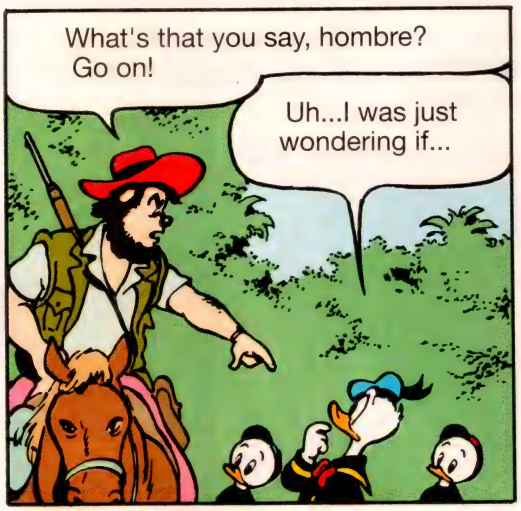


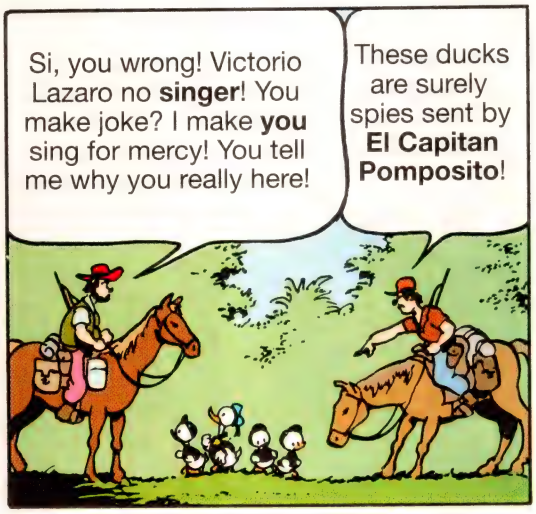
How dangerous is he? Can't you **catch** him?
He's always managed to slip through our fingers! But now we have a good way of capturing him.
How?
With that clock! It's an antique that once belonged to his family. Lazaro won't be able to resist the temptation to steal it!
I purposely put it in this office so I can trap him!
Please don't tell anyone about this. Otherwise it could get back to Lazaro and his gang!
Don't worry, Captain Pomposito. All we're interested in is finding our Uncle's trainload of coffee!
POLICE
Goodbye, senores, and...**good luck**!
Thanks, captain. You, too!
Okay, boys. Let's go to the station and get ourselves some wheels!
And so...
Stop moaning, and get on with it, kids! You know this is all we could get!
It's not **my** fault we couldn't get a driver! They were all too scared of the outlaws!
Look, Unca Donald! Maybe those people were right to be scared!
(Gasp!)



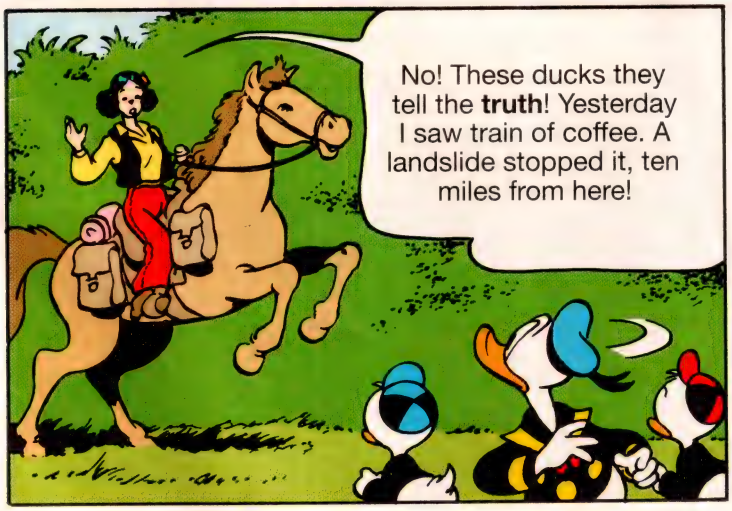


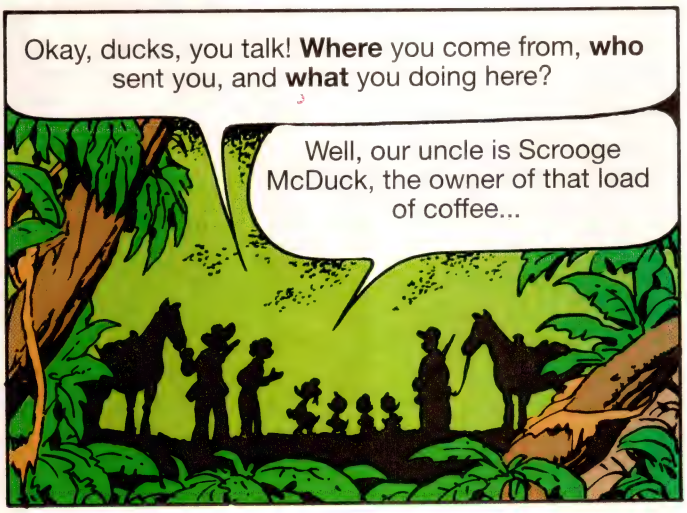
We are friends of **Victorio Lazaro**! And who might **you** be?
We're from Duckburg. We're looking for a train loaded with coffee that disappeared somewhere around here!
Wait! Did you say **Victorio Lazaro**? Isn't that...?
Unca Donald! Zip your beak!





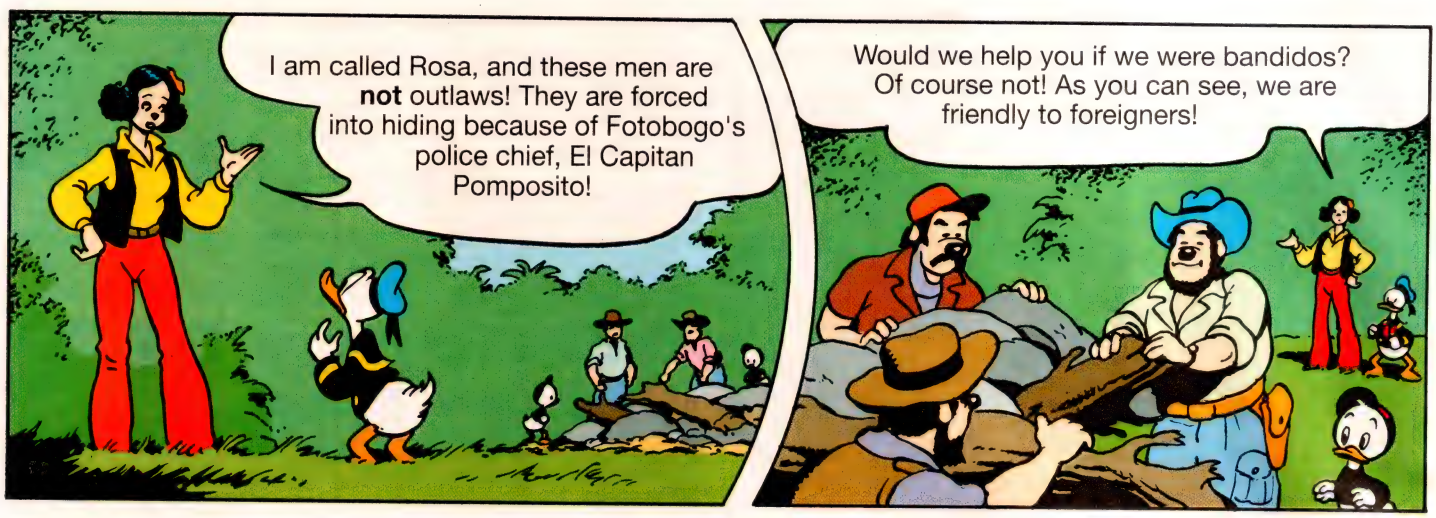
Si, you wrong! Victorio Lazaro no **singer**! You make joke? I make **you** sing for mercy! You tell me why you really here!
These ducks are surely spies sent by **El Capitan Pomposito**!





Okay, ducks, you talk! **Where** you come from, **who** sent you, and **what** you doing here?
Well, our uncle is Scrooge McDuck, the owner of that load of coffee...

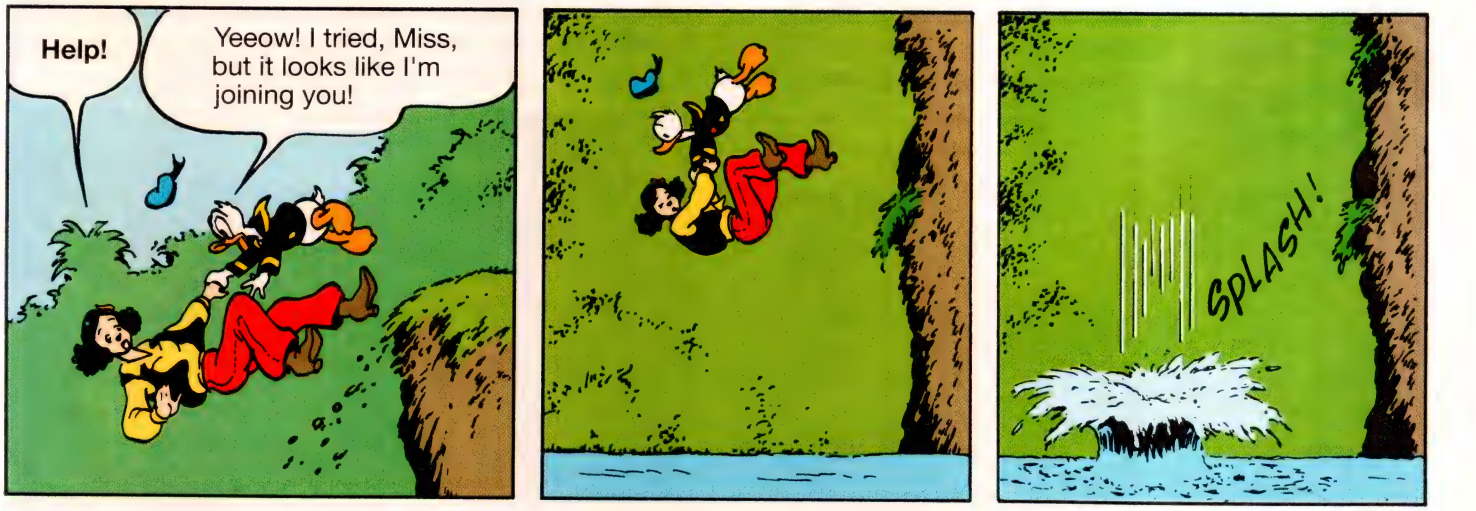
The riders believe Donald's explanation and take him and the nephews to the scene of the accident...



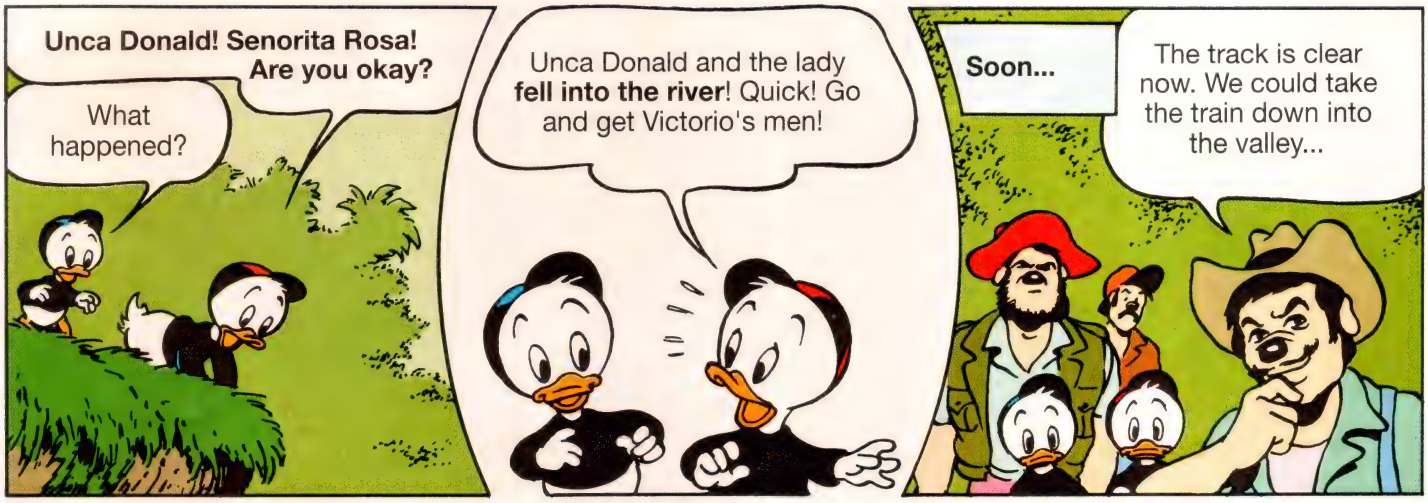
I am called Rosa, and these men are **not** outlaws! They are forced into hiding because of Fotobogo's police chief, El Capitan Pomposito!
Would we help you if we were bandidos? Of course not! As you can see, we are friendly to foreigners!

I tell you, El Capitan Pomposito has always been jealous of Victorio Lazaro, our leader! Victorio is generous, friendly, and loved by many people!
One day, to ruin him, El Capitan Pomposito accuse him of a crime he no commit! Victorio was forced to hide in the jungle!
Is this Victorio here with you?
No. He often disappear for days, and no one knows where he is!

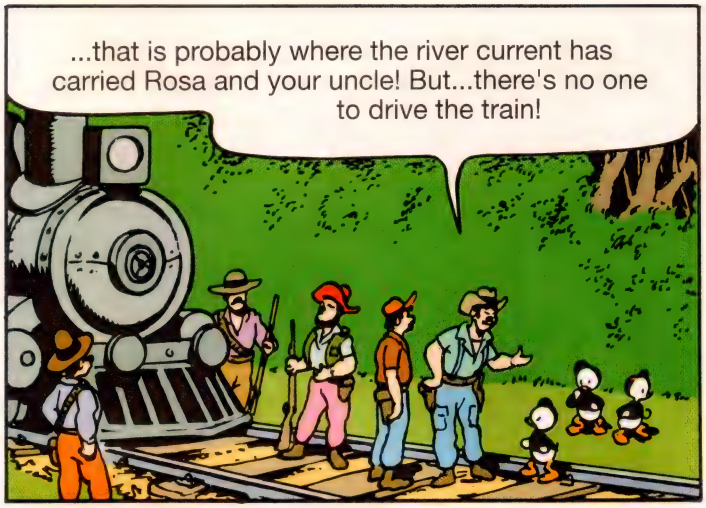
He's as free as that **condor** flying there!
Where? I don't see any...
It just passed overhead...**Aaargh!**
Look out!



Help!
Yeeow! I tried, Miss, but it looks like I'm joining you!
SPLASH!



Unca Donald! Senorita Rosa! Are you okay?
What happened?
Unca Donald and the lady **fell into the river**! Quick! Go and get Victorio's men!
Soon...
The track is clear now. We could take the train down into the valley...

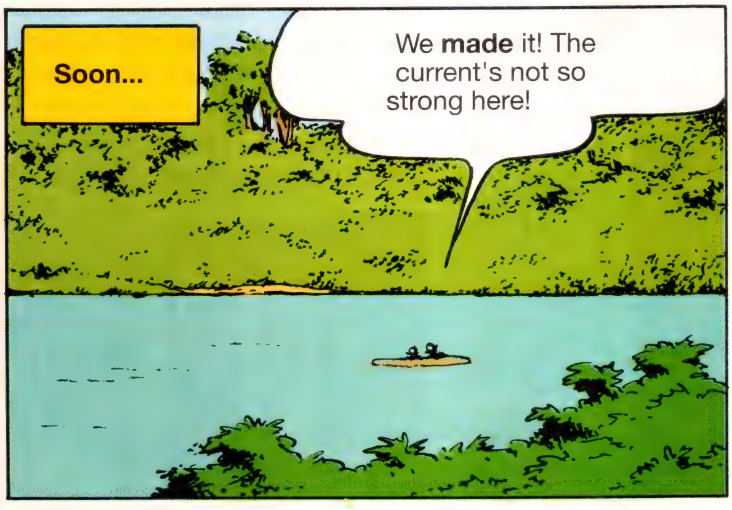


...that is probably where the river current has carried Rosa and your uncle! But...there's no one to drive the train!

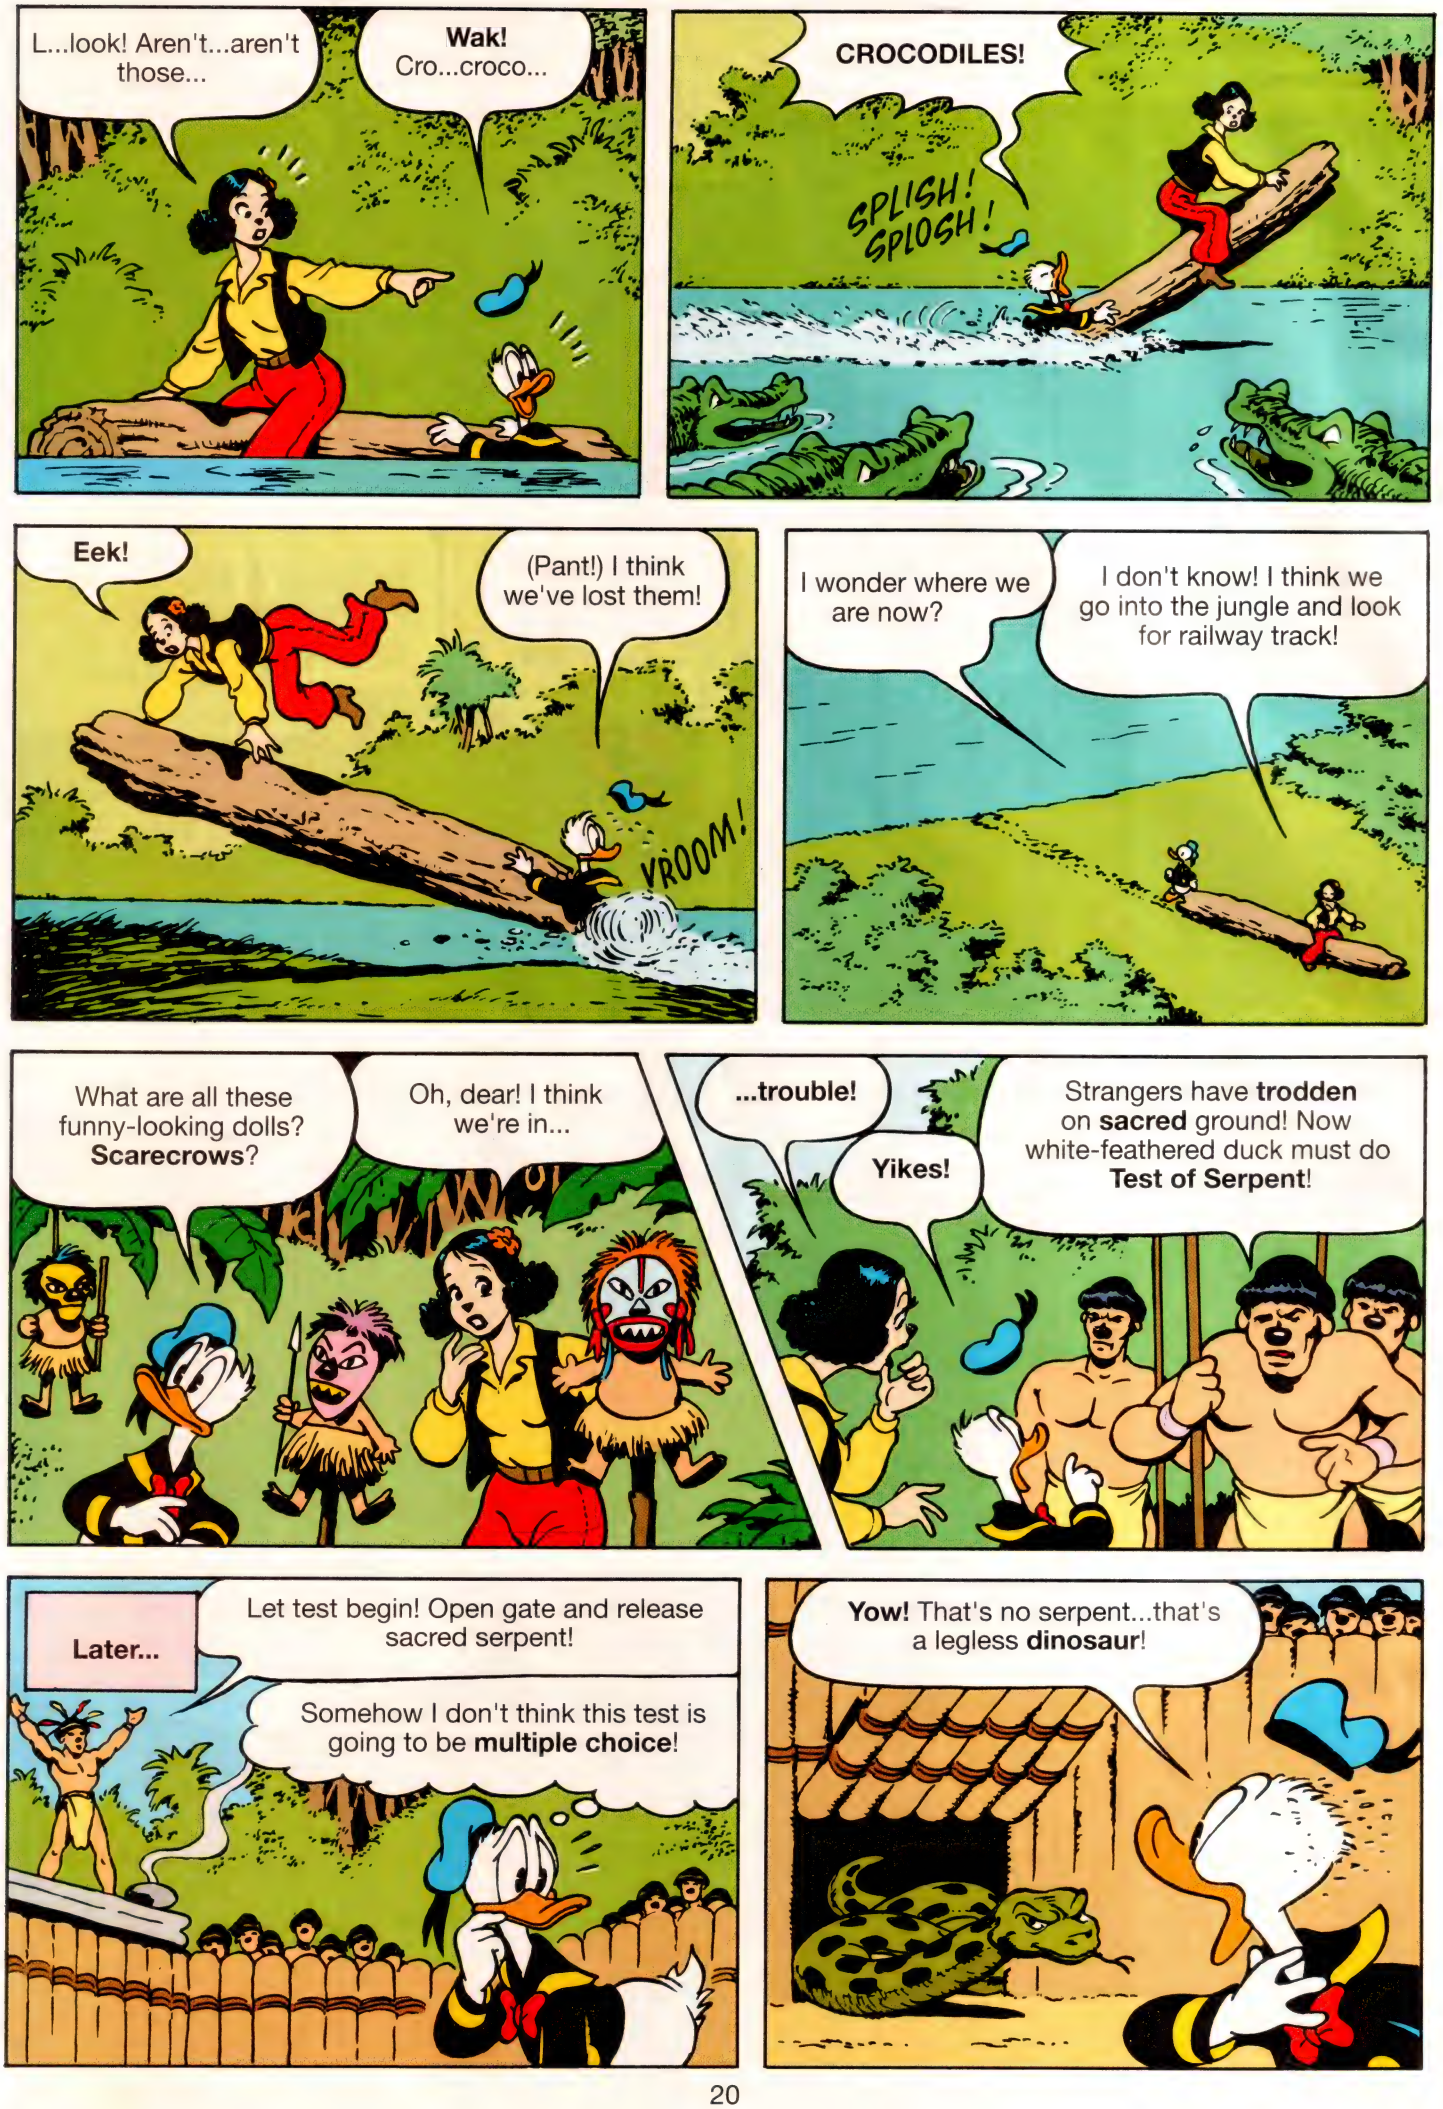
Now there is! We found the drivers hiding in a cave near here!
We stayed in there because we were scared of **bandits**! But we'll help you now we know you're **good guys!**

Meanwhile...
We're in **luck**! Hang on to this tree trunk, Rosa!
Don't give up now! This can't last much longer!
I'm **scared**!

Don't worry! I'll get us out of this!
Gracias, Donaldo!



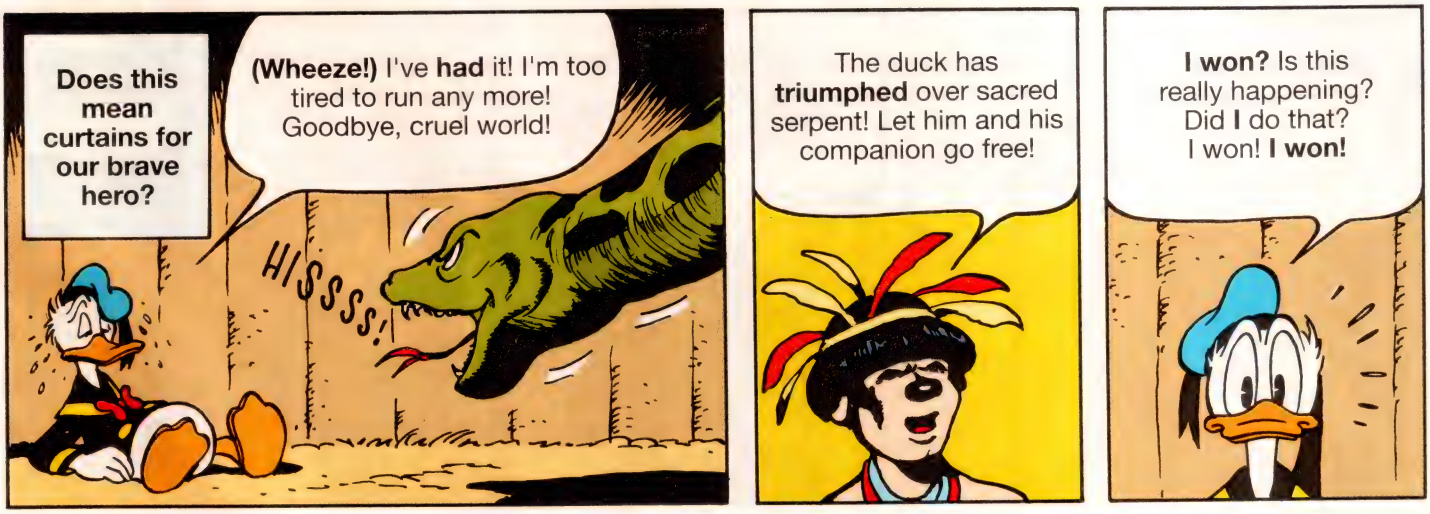
Soon...
We **made** it! The current's not so strong here!



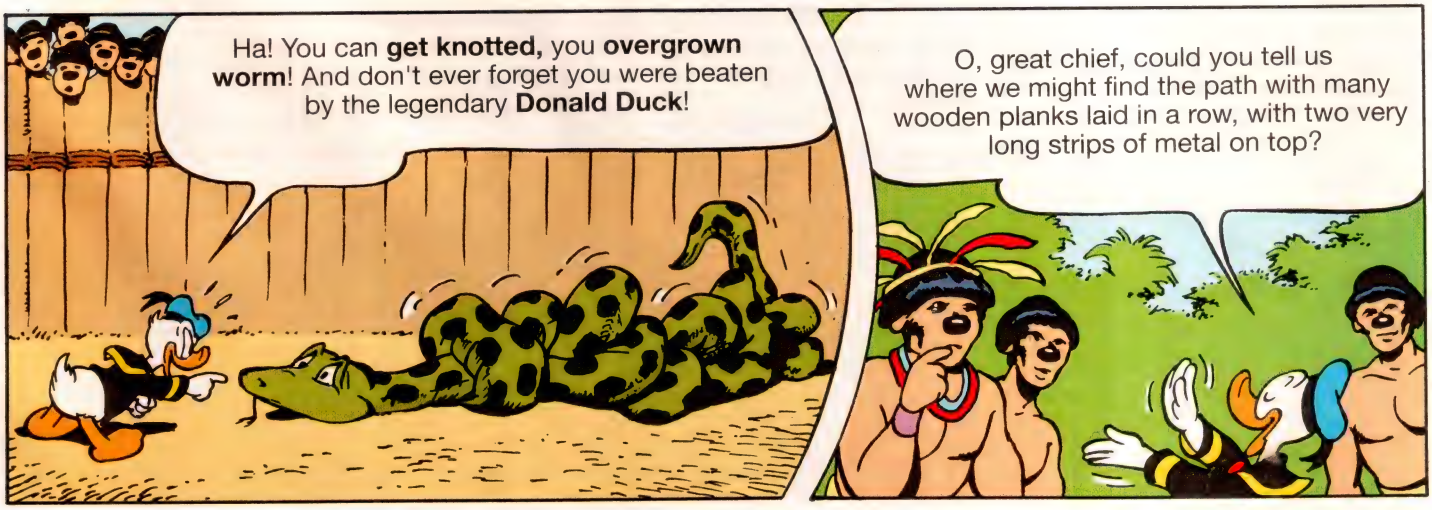
L...look! Aren't...aren't those...
Wak! Cro...croco...
CROCODILES!
SPLISH! SPLOSH!
Eek!
(Pant!) I think we've lost them!
VROOM!
I wonder where we are now?
I don't know! I think we go into the jungle and look for railway track!
What are all these funny-looking dolls? Scarecrows?
Oh, dear! I think we're in...
...trouble!
Yikes!
Strangers have trodden on sacred ground! Now white-feathered duck must do Test of Serpent!
Later...
Let test begin! Open gate and release sacred serpent!
Somehow I don't think this test is going to be multiple choice!
Yow! That's no serpent...that's a legless dinosaur!

To think I'm in this mess because of a **gold ingot**!
How horrible! There's no hope for that brave, wonderful duck...and it's all because of **me**!
Looks like I'll never see beautiful downtown Duckburg again!

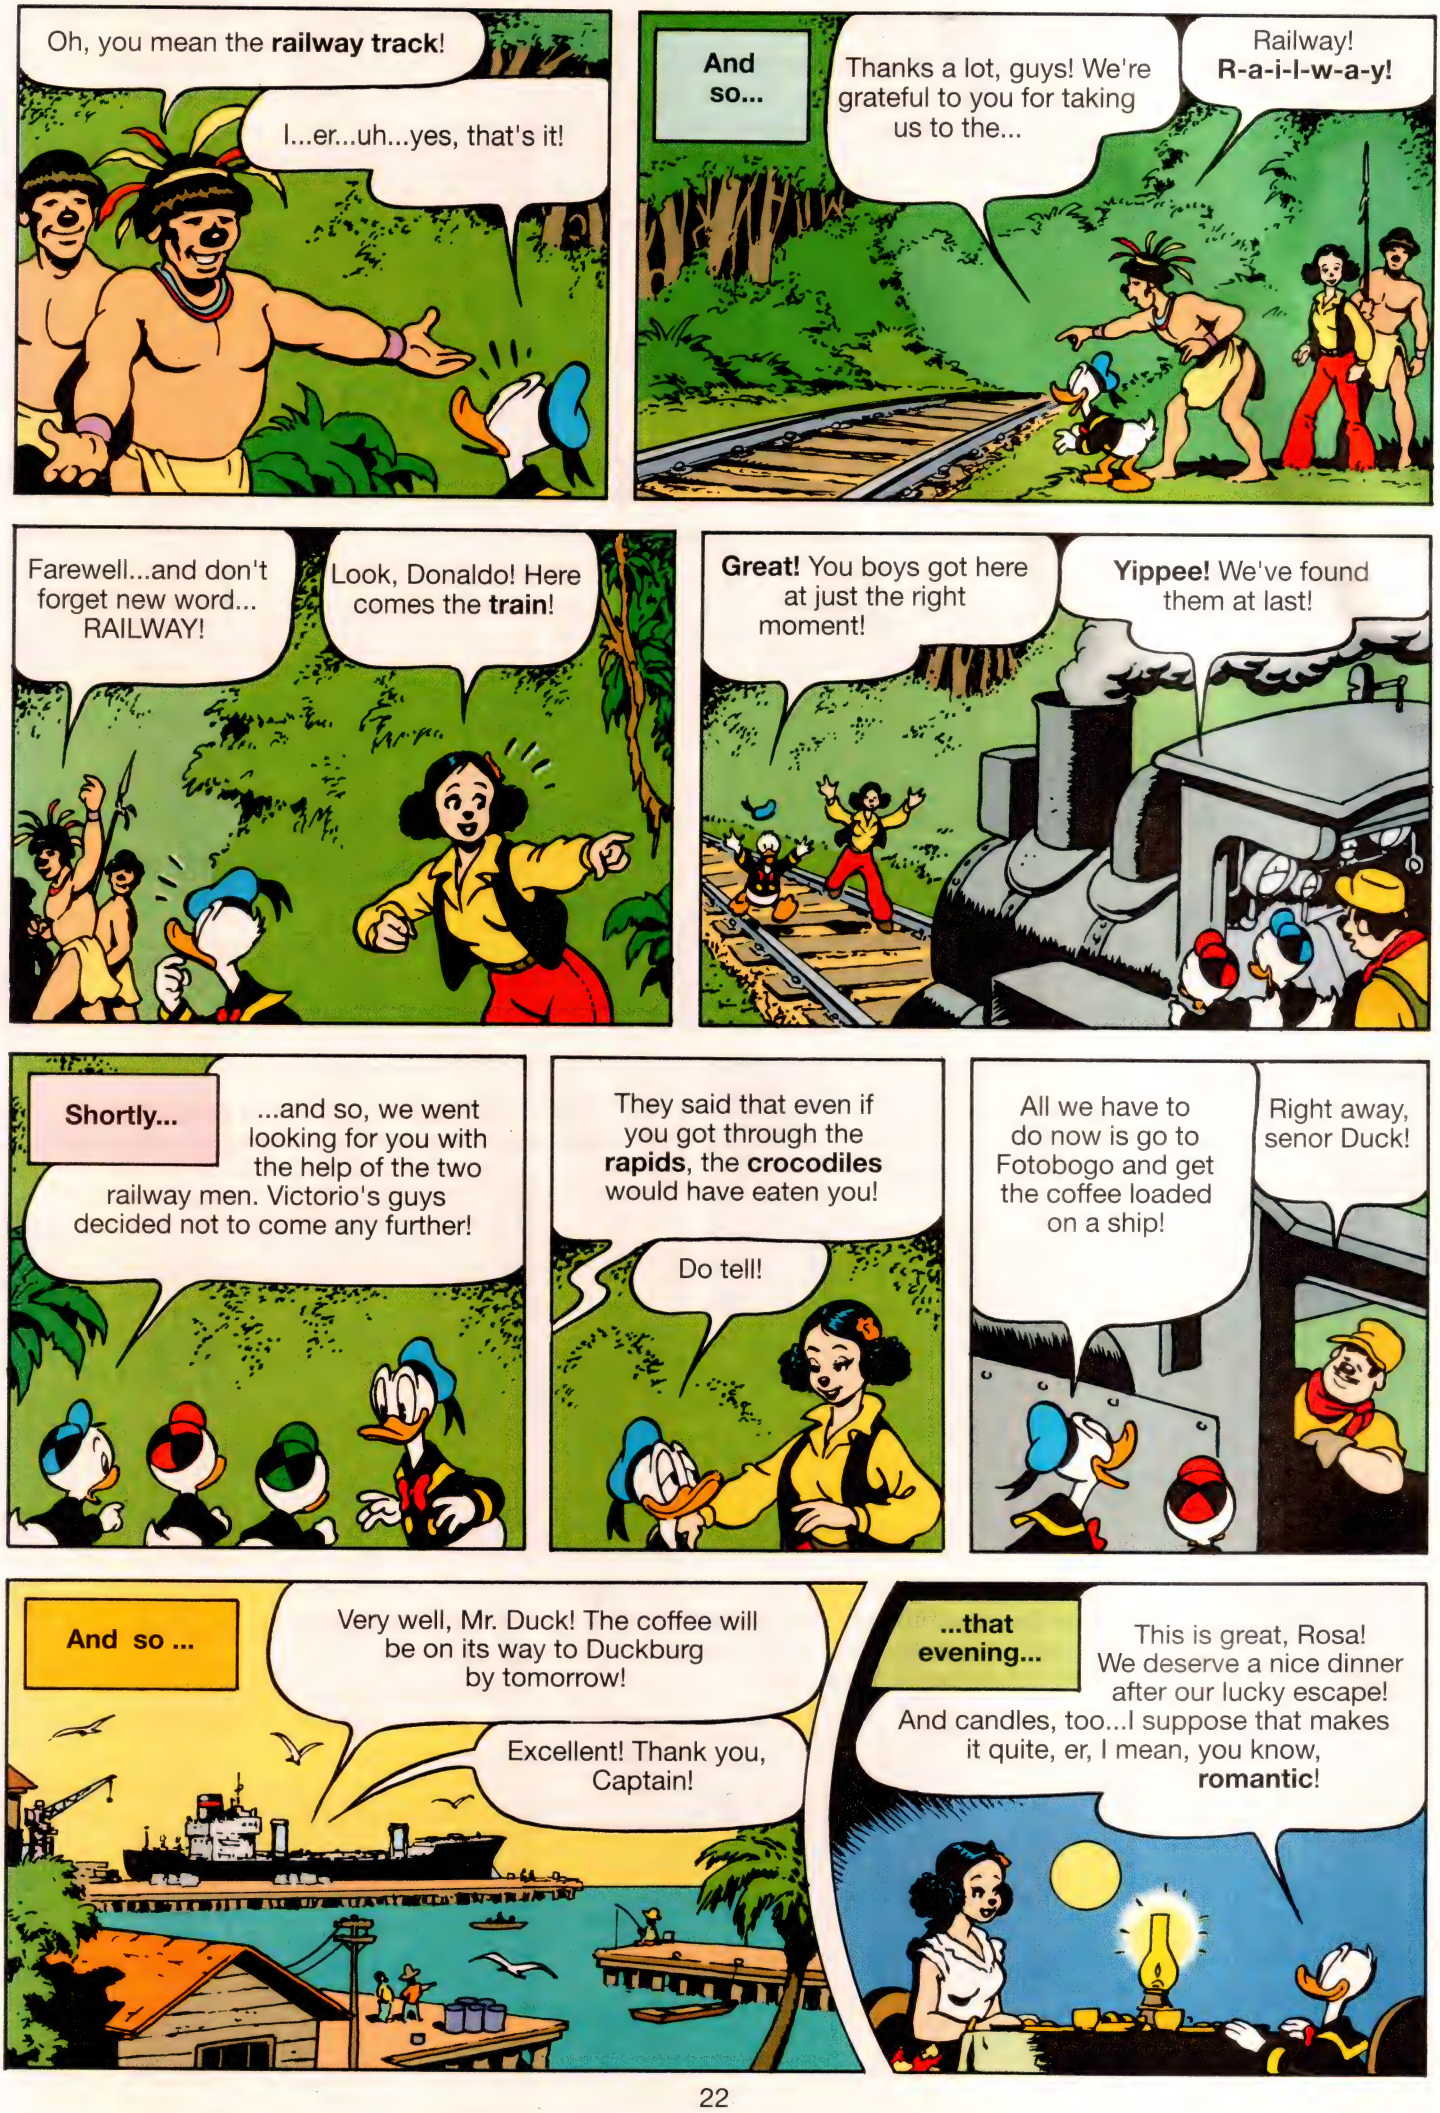
Yikes! (Puff! Pant!) I think this snake's trying to **wind me up!**
(Gasp!) I can't keep this up!



Does this mean curtains for our brave hero?
(Wheeze!) I've **had** it! I'm too tired to run any more! Goodbye, cruel world!
HISSSS!
The duck has **triumphed** over sacred serpent! Let him and his companion go free!
I won? Is this really happening? Did **I** do that? I won! **I won!**



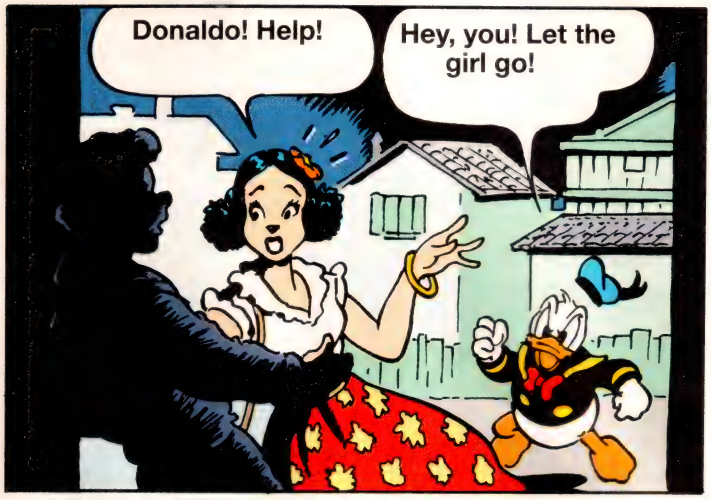
Ha! You can **get knotted,** you **overgrown worm**! And don't ever forget you were beaten by the legendary **Donald Duck**!
O, great chief, could you tell us where we might find the path with many wooden planks laid in a row, with two very long strips of metal on top?



Oh, you mean the **railway track**!
I...er...uh...yes, that's it!
And so...
Thanks a lot, guys! We're grateful to you for taking us to the...
Railway! **R-a-i-l-w-a-y!**
Farewell...and don't forget new word... RAILWAY!
Look, Donaldo! Here comes the **train**!
Great! You boys got here at just the right moment!
Yippee! We've found them at last!
Shortly...
...and so, we went looking for you with the help of the two railway men. Victorio's guys decided not to come any further!
They said that even if you got through the **rapids**, the **crocodiles** would have eaten you!
Do tell!
All we have to do now is go to Fotobogo and get the coffee loaded on a ship!
Right away, senor Duck!
And so ...
Very well, Mr. Duck! The coffee will be on its way to Duckburg by tomorrow!
Excellent! Thank you, Captain!
...that evening...
This is great, Rosa! We deserve a nice dinner after our lucky escape!
And candles, too...I suppose that makes it quite, er, I mean, you know, **romantic**!

You know, Rosa, my stay in Fotobogo's done me the world of good! I feel as if I could do **anything!**
It must be the tropical climate, the colours, the people...
Yes...especially the people. Especially you!
If you ever need saving from crocodiles again, Rosa...
Gracias, Donaldo, but I hope I won't! Once is enough!
Oh, the thought of going back to Duckburg and leaving you behind! My life's going to be so dull without you!
Nonsense, Donaldo! You will be very glad to be back home, away from snakes and things!
Yes...but away from you! (Sigh!)
Er...you must tell me about this Duckburg place where you live!
Duckburg? Well, it's a big city where you can't ever get bored!
There are theatres, discos, museums, restaurants...and at night, it shines with a million lights!
The pianist would like to know if our guests have any special requests.
Sure! Tell him to play "As Time Goes Past"!
Oh! This is my favourite song!
Mine, too! We have a lot in common...
Later...
What a wonderful evening!
It was **unforgettable!** Hey...get a load of all those **policemen**! What are they looking for?

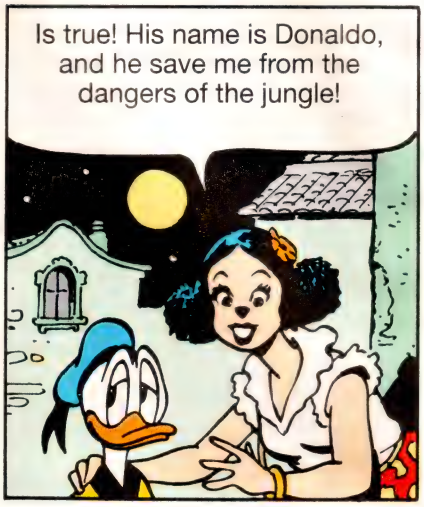
We'd better get moving! There's no telling **what** might happen if we stick around here!



Donaldo! Help!
Hey, you! Let the girl go!

Sshh! No scream! The police might hear you!
?!

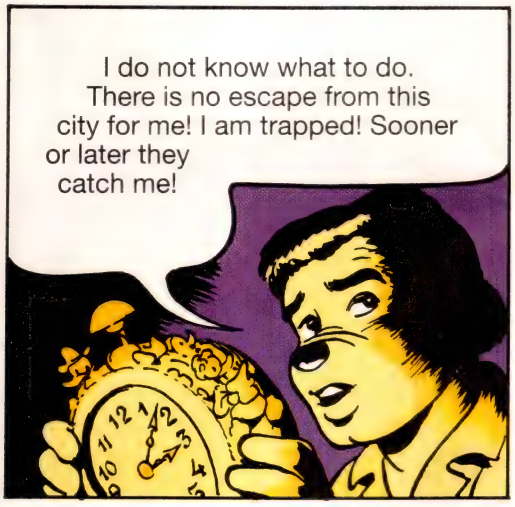
Victorio!
Rosa! At last I find you! Our friends told me you go off with some wimpy little guy!
!



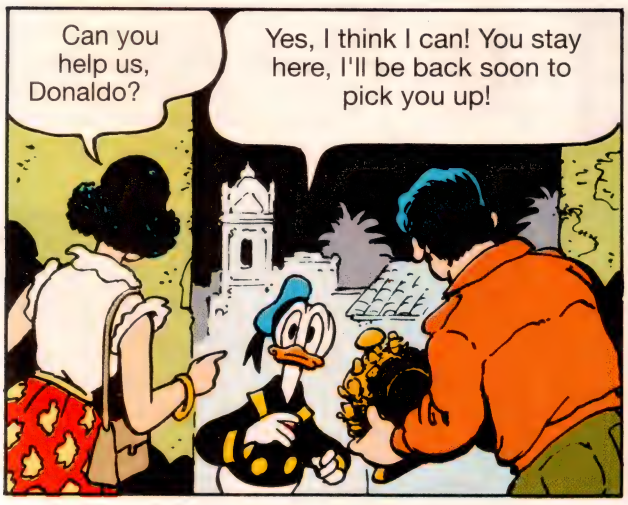
Is true! His name is Donaldo, and he save me from the dangers of the jungle!

Thank you, senor Donaldo! I can never thank you enough for helping **my sweetheart**!
Oh...

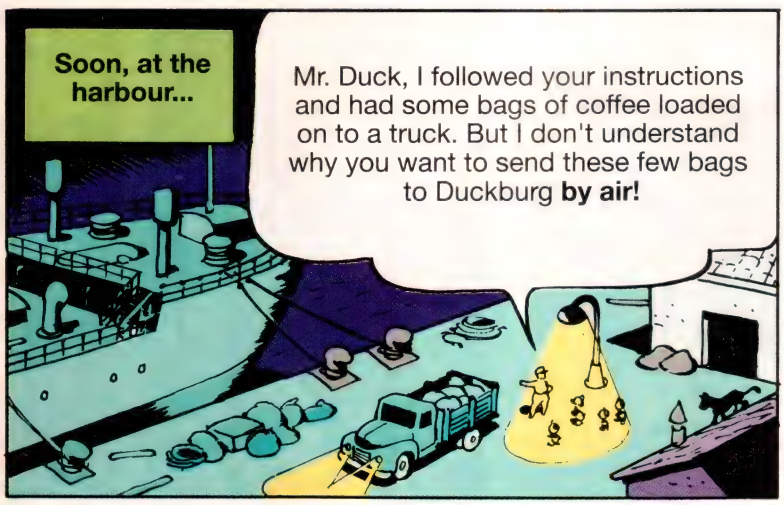
This **antique clock** belong to my family. I just got it back from the office of the man who **stole** it, **El Capitan Pomposito**! Now the police are after me!



I do not know what to do. There is no escape from this city for me! I am trapped! Sooner or later they catch me!



Can you help us, Donaldo?
Yes, I think I can! You stay here, I'll be back soon to pick you up!



Soon, at the harbour...
Mr. Duck, I followed your instructions and had some bags of coffee loaded on to a truck. But I don't understand why you want to send these few bags to Duckburg **by air!**

Er...my Uncle Scrooge wants some **samples** to check the quality of the coffee **immediately**! He doesn't want to wait for the ship!

Now let's get Rosa and Victorio!

Are you sure your plan's gonna work, Unca Donald?

I hope so! If it doesn't, we'll be in **big trouble**!

At the airport...

Stop! Customs inspection! **What** do you have on that truck?

(**Gasp!**) Captain Pomposito!

Er...just some bags of coffee we're flying to Duckburg! All the...er, papers should be in order!

Hmmm! Are you **quite** sure these are bags of coffee?

Let's check **for** you, shall we? Go ahead, boys! Unload the truck and give every bag a good going over!

Eep!

And I mean **beat** every sack with your batons! After all, it won't hurt the **coffee**, right, Mr. Duck?

Why, er...yeah, right! Go ahead!

WHACK!

After a painstaking inspection...

Phew! It really **is** coffee! (Puff!) Okay, load the bags back on the truck and let 'em through!

There's our plane, ready and waiting! I called the pilot and told him to stand by for immediate takeoff!

It's safe to come out! You don't have to pretend to be **seats** now! My plan **worked**!

He was so busy inspecting the coffee bags, he forgot to look in the driver's cab!

Later, in the air...

Put on these parachutes. When we fly over the place where your friends are, you jump!

Er...Donaldo...I...I would very much like to go with you to Duckburg!

No, Rosa! You must stay **here** with Victorio! We are just friends...I'll try and keep in touch!

Perhaps you're right! Adios, Donaldo...and thanks for everything! (**Smack!**)

Gracias, little **big duck**! Without you, we never would have made it!

Goodbye, my friends...and good luck! (**Sigh!**)

A whole day's flying later...

Yeah, yeah, Unca! We've heard that story already! Think up a **new** one!

...and three or four **giant anacondas** - I don't remember now **how** many exactly - were **crushing** me! **Argh!** I could hear my bones breaking...**Crunch! Crack!**

You should be thinking of how you're going to explain Senorita Rosa to Daisy when we get home!

(Ulp!) You mean Rosa being my...er...good friend? Will Daisy find out, do you think?

Of **course** she will! And then the fight you had with the giant snakes will seem like **a warm-up exercise**!

(Sigh!)

Emma Heath of Bedford has sent us her poem about Simba.

All the animals gather round,
To see what's lying on the ground,
It is a cub who's sweet and small,
His father the king is very tall,
Mufasa, the father of this cub,
Is standing in the very long shrub,
Mufasa's got a lovely mane,
Simba is his young cub's name,
Mufasa smiles, he wants to sing,
He knows Simba will make the perfect king!

I get Mickey's comic when it's on sale,
I like sending poems to Mickey's Mail,
Mickey is my very best friend,
Sometimes I'm sad
When I get to the end,
Now it's time to say good-bye,
Till the next time when I say Hi!
